Constitution of the Union Baptist Association

ARTICLE I—NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV—AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be neccessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V—OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII—TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Associational authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX—NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

REPORT SECTION

AMERICAN BIBLE SOCIETY

On behalf of the millions of people who learned about our Lord Jesus Christ through the pages of Scripture in 1980, the American Bible Society would like to express its sincere thanks to the churches and agencies of the Southern Baptist Convention for their share in these successful programs of Scripture evangelism. The denomination's support for the past four years has averaged two cents per member, or a total of $293,000.

The Bible Societies in the various countries work with our missionaries in supplying Scriptures. The Illustrated New Testament in Today's Portuguese, produced by the Bible Society of Brazil in 1980, has received a tremendous response from the church leaders and individuals. In Nigeria, the translation of the complete New Testament was reported for the first time in the languages of the Angas and the Yala. This means these people will have a chance to experience a new life in Christ as revealed through His message of love and forgiveness.

Following is a true story about how God is working in the Philippines through the Bible Society. A Bible Society worker writes:

> "As I inched my way to the bunkhouse to give out these Scripture Selections, a 13 year-old boy named Huy from Vietnam followed me. In broken English he said, "You telling about God? Me know Him little bit." I told Huy about God and His love.
>
> Then Huy's father, Le, told how when the communists overthrew South Vietnam, he and his family escaped in a motorboat...had to endure sharks, violent storms, a pirate attack...they lost everything.
>
> I explained that God had a reason for bringing them out of their own country—even though it might be hard to see it just then. I asked if they had ever read the Bible. When they said they hadn't, I gave them some Scripture selections.
>
> After a while, Le's wife said, "This is good. I feel something in my heart." Le then volunteered to distribute more Scriptures. And said, "I want to help you give my people this precious treasure. We will share the Word of God with others."
>
> As Le and his family left, I heard him say, "All along the journey, amidst all kinds of dangers and impending death, I have always felt a loving hand upholding me and my family. Now I know it—God!"

If only we could reach every man, woman and child with the written Word of God.

An Advisory Council, composed of representatives of the major denominations, was held to discuss ways to increase support of ABS. Of special significance is the resolution encouraging "...greater financial support from the churches and the total Christian community..." and urging "...the churches to set a goal of at least ten percent annual growth in financial support to the

work of ABS." Can we look forward to the day when the support will be four cents per member?

Respectfully submitted,
Marian Hume
ABS Coordinator

DEPARTMENT OF RETIREMENT PLANNING
Baptist State Convention of North Carolina

In North Carolina as of March 31, 1981, 3,114 staff members of 2,353 churches and associations are participating in the Southern Baptist Retirement Program. Through March 31, 1981, we had processed the following:

70 - Southern Baptist Retirement Program applications
11 - Applications for age retirement benefits
442 - Upgrades

One of the most exciting and far reaching aspects of our work for 1980 has been the printing of and response to the study guide, *Planning The Rest of Your Life*. This booklet is available from our office for church staff members, small study groups and church families who wish to have help in planning their retirement years.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

ASSOCIATION

In Union Association, 44 churches and 46 staff members are participating in the retirement program. Of this number 16 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of the total salary for staff members.

Respectfully submitted,
Mr. Harry Sherwood, Chairman,
Ministers' Retirement Committee
Rev. Max Godwin
Mr. Ben Walters

BAPTIST CHILDREN'S HOMES REPORT

The ministry of the Baptist Children's Homes in the greater Charlotte area continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Charlotte Family Services Center serves an eight county area and offers all services and ministries of the Baptist Children's Homes anywhere in the

State. The Emergency Youth Care Center located at 9742 John Russell Road is one of these many services. This is a joint effort with the Mecklenburg Association and plans are underway to expand this service.

Steve Hoffman became Director of the Charlotte Family Services Area on July 1. Phil Morrow has moved to Thomasville to serve as Associate Director of Family Services for the State.

Good things are taking place in our Baptist Children's Homes family across the State. Six Family Services Centers have been opened with three others in the planning stages. Children are being provided temporary care in seven Emergency Care Homes. Therapeutic camping for boys is being expanded at Cameron Home near Vass. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist churches. The Family Resource Center located in Thomasville is piloting a program of continuing education for people across the State who are in the best position to assist families through a concept of preventive care.

There are various opportunities for Christian service with the Baptist Children's Homes. Houseparenting, for example, is a challenging and creative way for one to live out their Christian experiences and to share the strength of their maturity. Foster homes, especially for young adolescents, are always needed. Counsel regarding family life or opportunities for a Christian vocation is available through the area office.

Steve Hoffman and members of the staff of the Homes in the greater Charlotte area are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (1 Corinthians 3:9). Thank Him for this relationship.

Respectfully submitted,
Rev. R. D. Byrd, Chairman
Baptist Children's Homes Committee
Mr. Raymond Hartis
Dr. Richard Taylor

NORTH CAROLINA BAPTIST HOMES REPORT

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years and God has used N.C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70 bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red

tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels—the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with N.C. Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

Respectfully submitted,
Rev. Carl Sizemore, Chairman
Baptist Homes Committee
Mr. William S. Griffin
Mr. Herbert Nash

NORTH CAROLINA BAPTIST HOSPITAL REPORT

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of a 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes — making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure, thus enabling the physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year — many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crises situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The minister's Care Plan continues in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Mr. John Bivens, Chairman
Baptist Hospital Committee

NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

During the past year, twenty-three new trust funds valued at $385,016 were established with the N.C. Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

—Foreign Missions trust funds increased by approximately $26,000
—Home Missions trusts increased by $8,000
—Baptist Childrens Homes of North Carolina trusts increased by approximately $19,000
—Southeastern Seminary by $12,250
—Fruitland Bible Institute by $33,000
—N.C. Baptist Homes by $1,500
—Local church trust funds, including cemetery, scholarship and mission funds by $5,000
—Cooperative Program by $7,000
—Statewide Student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal. The income yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio

reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist Institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ — even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally, the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

Respectfully submitted,
Edwin S. Coates, Executive Secretary

THE BIBLICAL RECORDER REPORT

Again this past year, The *Biblical Recorder* has reminded us all of the value of good church-pastor relations. This is just one of many subjects the *Recorder* seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The *Recorder* is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The *Recorder* also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The *Recorder* was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there—a front row seat, as it were, for only $.07 (cost of one *Recorder*).

When people know the truth—and truth must be spoken in love—we have a better convention, better churches, better associations and better individual Christians. The *Recorder* is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the *Recorder,* you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

CHRISTIAN HIGHER EDUCATION REPORT

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is *On Mission: The Church/College Alliance*. By means of a complementary copy to pastors, mailed on September 1, 1981, the colleges hope to create interest among the churches for studying the book. Chapter titles are:

Chapter I
What are the Purposes of a Christian College or University?

Chapter II
Who are the People Who Make Up the College Community?

Chapter III
How Does the College Community Decide on Policies and Programs That Will Genuinely Reflect the Purpose of a Christian Institution?

Chapter IV
What are Some of the Distinctive Problems that Baptist Colleges Encounter as They Attempt to Fulfill Their Educational Mission in a Christian Context?

Chapter V
How do Baptist Colleges Seek to Encourage Students in the Continuing Development of the Religious Dimension of Life?

Chapter VI
How do Baptist Colleges Decide Which Students Should be Admitted? How can Baptist Young People of Limited Means Afford the Cost of Attending a Baptist College?

Chapter VII
Why Should the Baptist People of North Carolina Support Institutions of Higher Learning?

Copies of the book will be sent, free of charge, to those who request it. A study guide is also available.

The 1981-82 school year is filled with financial uncertainties across the nation. North Carolina Baptist colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through the Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of your colleges and universities. Thank you for your faithfulness in the development of college-related churches:

THE PRISON MINISTRY REPORT

The Ministry of Christ at Correctional Unit #4550 in Monroe, continues to demonstrate that the Living Christ not only establishes his Church here upon earth in every conceivable circumstance, but also that His words, "Lo, I am with

you even unto the end of the age" (Matt. 28:20b), continue to ring true in these latter days of time.

Regular services were conducted on Sunday morning at 9:00 a.m. with ministers of the area and Charlotte bearing the responsibility on a rotational basis for the preaching.

Regular Bible Study was taught on Wednesday at 2:00 p.m. in which the International Sunday School lessons were the basis for the study. This ministry was shared by Rev. J. A. Baucom (Long's Grove A. C.) and myself.

Special services were conducted at Holiday times of the year (i.e., Thanksgiving, Christmas and Holy Week at Easter).

Out of the Spiritual energies of the men in the compound, a daily Bible Study was organized during the year. It is led by one of the inmates of the Unit. Men have accepted the Lord due to this effort.

It is a continuing blessing to see men who have been at the Unit as long as I have ministered (8 years) remaining faithful to the Lord, attending all the religious services and activities of the compound.

We have been especially appreciative of the cooperation we have received from the officials of the Unit. Our Superintendent, Captain Jack Ward, has worked closely with those who minister on a weekly basis and has been especially cooperative in providing necessary equipment for the ministry. He authorized and initiated the building of a library and religious room during the year. The new library provides a quiet and separated area. The shelves are stacked with religious books of various nature as well as with the State required secular reading. Our men can now study without interruption.

At the special Christmas celebration, a large majority of the inmate population turned out. A Christmas message was presented after which refreshments were served to the 100+ group. Faulks Baptist Church, under the leadership of Rev. Bobby Martin, provided some 15 cakes for the enjoyment of the men. We are especially grateful to our friends for this evidence of caring.

Our 1981 Revival was held during Holy Week (April 13-17) with ministers of the area bringing the messages. Due to this effort and the year-long evangelistic emphasis at the Unit 28 inmates experienced the Ordinance of Baptism. Our own Tom Kelsey (pastor of Benton's Cross Roads) conducted the baptism part of the service. We praise the Lord for this continued evidence of our Lord's grace.

It is most heart-warming to hear from those men whose lives have been changed during their stay at Unit #4550, especially after they have been released back into society. One man, Darrell Austin, has returned to minister to the men at least twice since his release. He has established and pastored a growing church in Charlotte.

Our men are in need of one or two tape players in order that they might take advantage of some of the fine teaching and ministering tapes available on the market. The Daily Bible Study group could especially use these profitably for the Lord Jesus.

Two events have shaken the Prison Ministry at Unit #4550 during the year. One of these events involves me personally:

1) We were saddened by the death of our beloved Chaplain, Rev. David M. Parker. His vision and faithfulness toward this ministry to desperate men will continue to bear fruit even though he is no longer with us in person. He had worked with the men of the Unit for over 15 years. He ministered

regularly and kept a close watch on the needs of the men (both spiritual and material).

2) Due to several hospitalizations during the year and on the advice of my physician, I have had to retire from active participation in the prison work this Fall. I have been blessed by the 8 years of labor the Lord has privileged me to have with some of the finest men (inmates) and religious leaders on earth.

I have appreciated the support of our Baptist Association given me during the years. The willingness of churches to support, help and supply refreshments from time to time has been a rich experience. While I am still on the Association Prison Ministry Committee, this will be my last report in which I am actively involved. I know that through the Committee we shall continue to give support to this ministry so close to the heart of our Christ—"I was in prison and ye visited me...inasmuch as ye have done it unto the least of these, ye have done it unto me".

BROTHERHOOD REPORT

The Brotherhood Commission made progress in 10 areas in support of its objective of helping churches involve men and boys in missions.

The agency conducted consultations in 10 cities to learn ways laymen wanted to participate in Bold Mission Thrust, prepared 536 Brotherhood training specialists to orient new associational and church Brotherhood officers about the 1980-81 Brotherhood programs and to start new Brotherhood units in the churches, and implemented a coordinated missions education plan with four other Southern Baptist Convention agencies.

Other accomplishments included conducting with Woman's Missionary Union a Bold Mission Leadership Conference for almost 2,000 Southern Baptists, joining with the Home Mission Board to conduct two national lay renewal conferences and three regional and state renewal meetings, and coordinating World Missions Conferences in 3,389 Southern Baptist Churches for 1,082,060 persons.

Representatives of the Commission also participated in Here's Life, Korea Crusade attended by almost three million people; helped involve 30,000 volunteers in missions ministries, including disaster relief; produced and distributed 2,200,000 copies of six missions publications for Baptist men and boys; and introduced missions ministry materials for couples interested in Bold Mission Thrust.

During the current budget year, the agency expects to field test materials for providing missions education in small churches of 100 members and less, develop and field test a new program for church leaders entitled "Helping Enable Lay Potential" (HELP), provide consultation for projects involving 1,000 couples in missions and ministry, launch an urban growth project with nine other Southern Baptist Convention agencies and develop and test a new mission action emphasis for monthly programs for Baptist Men.

CHURCH TRAINING REPORT

Church training is **vital** in any growing church. We are praying and hoping that every church in our association will see the need for training all Christians to be the disciples for Christ that we were ordained to be when becoming a part of the Body of Christ.

As we look at the backward trend of our various church organizations (including church training) since the early '60's, we must be aware of the challenge before us. But "Here's Hope" church training is again on an upward trend. As we look to the '80's, we want to all look together at the theme "Here's Hope" and move forward together.

As we look at some of the projects that were undertaken this past year, we know that there is much room for improvement:

1. Held our annual "M" Night presentation.
2. Held our annual Youth Night presentation.
3. Had 13 young people to participate in State Bible Drill Tournament.
4. Sent representative to attend "Key Leadership Conference" at Ridgecrest - follow up - held our own associational "Key Leadership Conference".
5. Sent representative to attend "New Member Conference" at Camp Caraway - follow up - plan our own associational "New Member Conference" in February 1982.

Our goals were high for the coming year, but we believe that you, the people, are ready to move forward in church training. We stand ready to help in any and every way that we possibly can.

We wish to thank those pastors, church training directors, teachers, and workers who have the vision and conviction for church training. And to those

who do not, as of yet, have a training program, we are praying that you will put this high on your priority list of great achievements for our Lord.

Respectfully submitted,
Mr. Wendell T. Price, Director

EVANGELISM REPORT

The one day Evangelism Conference in the Union Baptist Association held at Lee Park Church on March 3, 1981 was one of great inspiration and information. The key speakers were Donald Bouldin and Cecil Seagle, pastors of two of the fastest growing churches in Charlotte. They preached inspiring messages and informed us as to what they had accomplished in their churches and how they had accomplished it.

There will be another such conference on March 2, 1982. Rev. Kenneth Ridings will be the inspirational speaker. We are anticipating a great day and a large crowd. Plan to attend this one day conference on evangelism.

We encourage all the pastors to lead their churches to participate in the simultaneous revivals next spring, April 4-18. This is a joint effort on the part of both the General Baptist Convention and the State Convention of North Carolina to reach every person in North Carolina with the gospel message. Let's make an all-out effort to win the lost people of our community and state to Jesus Christ.

There is a great deal of preparation to be made. First, much prayer is necessary. Second, a people search is needed in order to find out who the lost people are and where they are. Third, train the lay People of the Church to witness. Conduct a lay evangelism school in your church. Finally, have a full week of revival services in order to revive the Christian and to win the lost to Christ.

"Not by power, nor by might, but by my Spirit, saith the Lord."

Rev. John Crain, Chairman
Evangelism Committee
Rev. Tom Kelsey

MEDIA CENTER - LIBRARY REPORT

Union Baptist Association has 37 Media Libraries, some large with a well trained staff, some only a small room with one struggling staff member. We have sent a representative to Ridgecrest Key Leadership Conference for the past three years, held spring workshops the past two years, and planning more.

When asked what he would like his church media library to do, a local pastor replied "Be there, be informed and helpful, provide needed materials for our people".

The Media Library ministry is valuable to a church as it seeks to worship God, to educate its members, to minister to the needs of people and to proclaim the

gospel. Perhaps our greatest service can be a listening ear, a willing and helpful hand, and a visible love for God.

Respectfully submitted,
Mrs. W. P. (Marie) Wellmon, Director

MUSIC REPORT

On March 14, Union Association participated with Cabarrus, Mecklenburg and Stanly associations in Praise Fest '81 at First Baptist Church in Kannapolis. There were learning opportunities for singers, accompanists, handbells and leadership in children's and preschool choirs.

This year our emphasis will be on events within our association. I have asked several music directors to serve as zone directors to help make plans for the year and to contact all churches to find our needs.

Our first goal is an associational choir made up of members from all our churches. Other things suggested for us to try include the possibilities of a choir festival and an association-wide youth musical.

With all of us working together, we can make next year more successful. Thank you for your prayerful support.

Respectfully submitted,
Mrs. Carol Howard, Director

SUNDAY SCHOOL REPORT

A man once told me that he saw no need for Sunday School. "First of all," he said, "you have to get up so early to get there and you already know what is going to happen. You must sit and listen to a monotone teacher speak above the snoring of class members. Then you are supposed to shake the teacher's hand and tell him you enjoyed the lesson. Well now, Preacher, I'm just the type of person that does not make story telling a habit". Does this sound familiar. I hope it does not, but it may.

Our association is very concerned about our Sunday Schools. We are trying to reach the Sunday School officers and teachers of our association to share with them ways they can make their Sunday Schools shine for the Lord. We feel that the 1980's is the time to get serious about Sunday School work. It is an exciting, hard working, disciplined job that will bring spiritual growth across our country. We invite you to join with us to make the next year and this decade the best in Union Baptist Association's history.

This past year we have offered helps through our Sunday School Leadership Training Night and our Vacation Bible School Clinic. We encouraged each to promote High Attendance Day in October and asked each church to conduct the January Bible Study. We thank each of you for your attendance at these meetings and for your support throughout the year.

Respectfully submitted,
Rev. James W. Parks, Director

STEWARDSHIP REPORT

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Missions Thrust to succeed, many more people must adopt this commitment.

The introduction to Bold Mission Thrust is over; in 1982 we must demonstrate our willingness to make our dream come true through our Bold Giving. Churches need to be faithful in fulfilling their goals of mission giving and church growth. Church leaders must lead people to adjust lifestyles and values in order to achieve Bold Mission Thrust. We need a strong zeal and spirit of cooperation to attain the goal of our 1982 Associational Missions Program. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in attitudes and records in church growth and church member development. The dream is bold, the people are excited, the mission unmistakably stands before us. Let every church in the Union Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objectives to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. Having a Bold Mission Thrust stewardship presentation in every church is a major concern for 1982.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids and biblically-based materials for assisting churches in developing Christian stewards. The current stewardship theme is "Witness to the World Through My Church". Magnifying giving through the local church is a primary emphasis.

The work of Your Baptist Foundation through Wills, Trusts and Estate Planning continues to serve the churches and their agencies by promoting eternal stewardship responsibilities and by acting as managers of funds that benefit every facet of the Kingdom. Increased emphasis is being placed on making our people aware of their stewardship of possessions beyond the tithe and gifts made in one's lifetime.

We recommend that every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.

Respectfully submitted,
Rev. Bobby H. Martin, Chairman
Cooperative Program & Stewardship Committee
Dr. Henry Funderburk

DIRECTOR OF MISSIONS REPORT

The church year, 1980-1981, has been another exciting and profitable year in the life of our churches and association. Many blessings have come to us as we have shared with you in the work of our Lord. Our associational leaders and workers, committee members, pastors and lay leaders in the churches, and volunteer office receptionists and typists are to be commended for their dedication and the work which they have done.

My wife and I continue to enjoy and are greatly blessed through the fellowship that we experience as we visit with pastors and families, in church services, participate in the pastors conferences and prayer meetings. We have carried five new pastors and wives out for a meal on behalf of the association.

CHESTERFIELD COUNTY
SOUTH CAROLINA

It has been our privilege to visit 149 times in our churches, once or more in 54 of them. It was my great privilege and responsibility to preach 36 times in regular worship services and 7 times in revival services. I participated in the ordination service of one deacon and one pastor. We made the following visits: 33 with pastors and families, 17 to funeral homes, 33 hospital visits, and attended 12 funerals.

Three of the very special events that took place in the association were the beginning of the new work at Hemby Bridge, now Emmanuel Baptist Church, and the World Missions Conferences in which 20 of our churches participated, and the Evangelism Conference. Our Vice Moderator, Ken Lida, and I worked together in planning, scheduling, promoting, and directing the World Missions Conference. Our Chairman of Evangelism, his committee, and I worked together in planning, promoting, and directing the Evangelism Conference.

The following associational activities were promoted and participated in by the Director of Missions: monthly Pastors' Conferences and Prayer Meetings, quarterly Council and Executive Committee Meetings, Annual meeting, "M" Night, Sunday School Leadership Training, RA Leadership Conference, Evangelistic Crusade Interpretation Meeting, World Missions Conference Rally, two World Missions Conference luncheons, three sessions of Evangelism Conference, Stewardship Conference, Baptist Men's Meeting, Annual WMU Meeting, VBS Clinic, GA Day Camp, Pastors and wives fish supper, ice cream supper for Pastors and families, Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering, Week of Prayer for Home Missions and Annie Armstrong Easter Offering, Week of Prayer and Emphasis for Associational Missions, summer camps and conferences and retreats, Christian Home Week, S.B.C., Media Center Conference, Key Leadership Conferences (state and association).

I have attended and participated in the following area and state meetings: Gideon banquet, Children's Home's Emergency Center fish fry, Baptist State Convention, Director of Missions Conference (3 days) at Southeastern Seminary, Metrolina DOM Meetings (3), DOM and State Staff, Annual State WMU Meeting, Baptist Hospital dinner at Wingate Cafeteria, Chamber of Commerce breakfast for Clergy, State Key Leadership Conference (3 days) at Ridgecrest, dinner at Children's Home Emergency Center in Charlotte, Directors of Missions Conference (4 days) at Wingate, Week of Christian Study and Fellowship, Mars Hill College.

I have participated in the following local conferences: 692 individual, 51 group, and 31 committee.

Fourteen hundred and fifty newsletters have been printed and mailed each month to inform our people and promote the work of the association and conventions.

The challenges and goals of Bold Mission Thrust and the Joint Evangelistic Crusade are very important and urgent. It is my prayer that we will put ourselves at God's disposal to be used in these important tasks. Your prayers for us and cooperation with us and the association are deeply appreciated. Continue to pray for us.

Respectfully submitted,
Rev. Ellis L. Marks, Director of Missions

GENERAL BOARD REPORT

As the year ends, we want to review and preview our work on the state level as well as in the association.

The cooperative program continues to be stressed with its many facets of work, with the warning that we must keep the offerings up through this critical economical time.

Through our N.C. Missions Offering, we have an opportunity to participate in many fields of work with one offering. In the months to come, the Biblical Recorder will be focusing on many of the agencies and their work covered by this combined offering.

Work continues on the West Virginia project with many hurdles crossed, but much help still needed from local churches in our association.

The Bold Missions Thrust is also a very important part of our work throughout the convention in the coming year.

Being a member of the Business Management Committee and the Assemblies Committee has involved much work, planning and prayer throughout the past year. The earnest efforts of the Convention staff and the General Board members has resulted in an atmosphere of Christian love and concern.

We are looking forward to the joint meeting of the Baptist State Convention and the General Baptist State Convention in Greensboro this November.

The upcoming Here's Hope 1982 Joint Evangelistic Crusade promises to inspire evangelistic efforts in each of us.

I continue to seek an interest in your prayers for our work in the association and in the State Convention.

Respectfully submitted,
Mr. Henry Gaye

The financial support of the churches to the Association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. We need your continuing support in order to pay for this building. Help our Association meet this very great and vital need.

If every church would give the Association 3% of its total budget, we would have adequate funds to meet our needs.

THE CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The moral climate in America challenges Christians to apply the gospel to the issues of our day. During the past year, the Christian Life Commission has responded to this challenge by working diligently in support of Christian social concern and Christian social action among Southern Baptists.

Scores of guest editorials, feature articles, news stories, and photographs have been prepared and distributed for use in Southern Baptist media outlets. Approximately one million pamphlets related to applied Christianity were distributed to Southern Baptists. A study of the most pressing ethical issues confronting Christians in the decade of the 1980's was prepared and distributed widely. Numerous television appearances and radio interviews in support of Christian morality development were made. LIGHT, the Commission's publication supporting Christian ethics among Southern Baptists, was distributed every other month to more than 7,000 readers. Videotapes were made of 25 addresses in Commission-sponsored meetings; and from these, some of the most appropriate were selected for reproduction and inclusion in the Southern Baptist video cassette network as well as for the Commission's use during the Convention's special emphasis on strengthening families, 1982-1985.

Christian Life Commission staff members served Southern Baptists and the cause of Christ through membership on a number of national boards, committees, and programs dealing with such varied moral concerns as aging, alcohol, the Lord's Day, peace, public policy, separation of church and state, and world hunger. Ten conferences for Southern Baptists concerned about

applied Christianity were held across the nation. The annual national seminar held in Dallas, Texas, dealt with "Power in Church and Society".

Cooperation with Christian Life Commission representatives in the various state Baptist Conventions and with the Christian ethics professors in all six of the Southern Baptist theological seminaries helped to provide coordination for all Southern Baptist Christian social concerns and activities.

The Commission's responsibilities in support of applied Christianity among Southern Baptists continued to be reflected in its motto, widely used in many ways throughout the year, "Helping Changed People to Change the World".

The Christian Life Commission provided carefully prepared support materials for Southern Baptists observing Race Relations Sunday, Christian Citizenship Sunday and World Hunger Day. As the Southern Baptist Convention's agency responsible for dealing with social concerns, the Christian Life Commission sought to provide Southern Baptists with reliable help, support, and coordination related to the pressing moral issue of hunger. Working closely with the Foreign Mission Board, the Home Mission Board, and the Sunday School Board, the Commission mailed every pastor in the Southern Baptist Convention, just prior to World Hunger Day in 1980, an eight-piece packet of carefully designed materials related to hunger.

The Christian Life Commission affirms its commitment to help Southern Baptists establish the kind of moral and social climate in which our total witness for Jesus Christ can be most effective. With God's help the Commission will keep working to help changed people change the world.

Mr. Foy Valentine,
Executive Director

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

Constitution of the Union Baptist Association

ARTICLE I—NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV—AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be neccessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V—OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI—EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missio-

nary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII—ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII—TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Associational authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX—NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association that the applicant come under the watchcare of

the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X—PROCEDURE

The business of the Association shall be conducted according to "Robert's Rules of Order," where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI—AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII—ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

REPORT SECTION

AMERICAN BIBLE SOCIETY REPORT

During 1982, the American Bible Society has emphasized "Share the Word with the World." For 166 years, they have cooperated with the Bible Societies throughout the world in spreading the Gospel of Christ. This is accomplished by providing Scriptures and emphasizing the study of God's Word.

Southern Baptist individuals and churches continue as the leading contributor to the American Bible Society. For these contributions, they are grateful and express thanks.

Christianity is currently experiencing a period of rapid expansion throughout most of the world — particularly in Africa where it has been estimated that 20,000 new Christians are received into church fellowship every day. How many of these will fall by the wayside simply because they do not have copies of Scripture to nourish their new faith? How many will stray because they do not have Bibles needed to increase their knowledge of God's will for their lives?

But the cost of producing Bibles is soaring! Severe inflation and high cost of printing have severely restricted all printing activities.

During 1982, the American Bible Society is emphasizing shortages of Bibles in Kenya, Thailand, Bangladesh, and Brazil. Our missionaries working these areas have emphasized the need for Christians to possess their own Bibles. The Bible Societies of these countries desire to publish these Scriptures which are indispensable tools for missionary activity. Contributions to the American Bible Society can help alleviate the worldwide hunger for God's Word.

Respectfully submitted,
Marian Hume, ABS Coordinator

NORTH CAROLINA

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

As of March 31, 1982, we had processed the following:

70 - Southern Baptist Retirement Program applications
14 - Applications for age retirement benefits
501 - Retirement program upgrades

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981, North Carolina reported 1,032 upgrades!

Six (6) VIDEO TAPES are now available for churches and associations to assist in understanding the protection programs of the Annuity Board. Order from the Film Library, Baptist State Convention.

VT16-1 "Planning The Rest of Your Life"
VT16-2 "Retirement - The Way It Is"
VT16-3 "Purpose and Meaning in Retirement"
VT16-4 "Mental and Physical Health in Retirement"
VT16-5 "Continuing Education and Mental Alertness"

ASSOCIATION

In Union Association, 44 churches and 44 staff members are participating in the retirement program. Of this number, 15 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

NORTH CAROLINA BAPTIST FOUNDATION, INC., REPORT

When it was chartered in 1920, the North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination."

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value).

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,199.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase - promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense - even after death.

Respectfully submitted,
Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOMES, INC. REPORT

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totaling $516,804.00, provided 57% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already overtaxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

THE BIBLICAL RECORDER REPORT

Workers change but the work goes on. This is the simple message from the BIBLICAL RECORDER this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the RECORDER from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, CHURCH AND STATE.

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio, and Florida. He was interim pastor of the largest Southern Baptist church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the BIBLICAL RECORDER, primarily because mailing costs increased 160 percent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The RECORDER has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new RECORDER editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him.

Remember him in your prayers as he undertakes this difficult and demanding job.

Respectfully submitted,
J. Marse Grant, Editor

BROTHERHOOD REPORT

Seeing the enthusiasm among the Christian laymen, Southern Baptists launched the laymen's missionary movement, forerunner of Brotherhood work in 1907. Seventy-five years later, we now have almost 500,000 men and boys in 17,000 churches involved.

We have seventy-five years of history, but we believe the best is yet to come. Locally, nationally, and state-wide, men and boys are getting actively involved in missions. Churches from our own association are involved in building churches in West Virginia.

With the help of $80,000 from the Cooperative Program as seed money, twenty-four new churches were started in West Virginia this year. These churches give us forty-five in two years. Next year, we will be sending in follow-up teams for revivals and to check on the needs of these new churches and, hopefully, to start thirty new churches. Members from our own association helped in the construction of some of these churches.

Locally, men and boys from our association also helped in the construction of a new church. We held our second annual track meet with over eighty boys winning ribbons.

Our State Brotherhood Department enjoyed a successful year under the direction of David Langford. The State is divided into ten regions with fifteen areas of special missions involvement. There is a state chairman and a regional director for each area of involvement. The newest area is agricultural missions, with its first project to serve as an experimental station for our thirty agricultural missionaries.

Dr. Bryant Hicks, Professor of Missions at Southern Baptist Theological Seminary, Louisville, Kentucky, said: "Every man is either a missioanry or a mission field." The firm belief in the truth of that statement is a basic motivating factor in encouraging every church to get its men and boys involved in mission work.

Respectfully submitted,
Mr. Gene Williams, Director

BAPTIST CHILDREN'S HOMES REPORT

The Charlotte Family Services Center of the Baptist Children's Homes of North Carolina seeks to serve children and families within an eight county area. These eight counties are: Mecklenburg, Gaston, Stanly, Anson, Union, Cabarrus, Lincoln, and Cleveland.

We appreciate the opportunity to share our Baptist Children's Homes services with people in the churches and communities, and we welcome the

help so many people give us when they share with others the story and ministry of the Baptist Children's Homes.

The Children's Homes have affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

Our 23rd Annual Area Conference held at Newell Baptist Church was greeted by friends of long standing and many others who are learning for the first time the type of services and Christian ministry that has been offered for years. We invite you to participate in this annual event when it is held in this area.

Robert and Marie Knowles continue to provide excellent child care services for girls through the Charlotte Emergency Care Center, 9741 John Russell Road. This program is a joint effort between Mecklenburg Baptist Association and the Baptist Children's Homes of North Carolina.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. and Mrs. Jim Martin have a fine back-ground that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Respectfully submitted,
Rev. R. D. Byrd, Chairman
Baptist Children's Homes Committee
Mr. Raymond Hartis
Dr. Richard Nelson

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr., to name a N.C. Task Force on Drunken Drivers in order to study this growing problem from our state's perspective and explore ways to remove that irresponsible element from our highways who insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearings throughout our state and seek solutions to this growing problem. Public hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The League promoted attendance at these hearings and enlisted speakers

who made pertinent recommendations or shared personal tragedies due to drinking drivers.

The Task Force will submit its recommendations to the Governor. These will be compiled into the Governor's Crime Commissions's legislative program for the 1983 session of the General Assembly.

These recommendations will include such provisions:

1. Raising the legal drinking age to 21 for the sale, possession, and consumption of **all** alcoholic beverages.
2. Mandatory jail sentences for convicted drunk drivers.
3. Abolish the practice of plea bargaining for convicted drunk drivers (Currently, many are allowed to plead guilty to a lesser offense like careless and reckless driving, etc.)
4. Prohibit open containers of any kind of alcoholic beverage in a motor vehicle.
5. Prohibit public consumption of all alcoholic beverages.
6. Provide victim restitution due to alcohol-related accidents through additional taxes on alcoholic beverages.
7. Enact a DRAM law which will make the retailer criminally responsible for accidents caused by intoxicated patrons.
8. Abolish the practice of granting limited driving privileges for convicted drunk drivers.

II. STATE-WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our State to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital. Due to the loop-holes that now exist in our obscenity laws, our State has more X-rated theaters and "adult" book stores (sex shops) per capita than any other state.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

As a result of this highly successful conference, six Regional Conferences on Obscenity and Decency will be held in Asheville, Charlotte, Winston-Salem, Raleigh, Greenville, and Wilmington between September 15 and October 15, 1982. Specific information on these conferences can be obtained from the League's publication, TOMORROW. If you are not receiving it, a one-year complimentary subscription can be obtained by writing: CHRISTIAN ACTION LEAGUE, P.O. Box 2126, Raleigh, North Carolina 27602.

III. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in the following campaigns:

1. Cabarrus County: On-and-off Premises Beer-Wine Sales.
2. Union County: Off-Premises Beer-Wine Sales.
3. Arlington (Yadkin County): ABC Liquor Stores.
4. Jonesville (Yadkin County): ABC Liquor Stores.
5. Wilson (Wilson County): Liquor-By-The-Drink.
6. Forest City (Rutherford County): ABC Liquor Sales and Off-Premises Beer-Wine Sales.
7. Oakboro (Stanly County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
8. Stoneville (Rockingham County): ABC Liquor Stores.
9. Boone (Watauga County): ABC Liquor Stores.

10. Lenoir (Caldwell County): Liquor-By-The-Drink and On-Premises Beer Sales.
11. East Ben (Yadkin County): ABC Liquor Stores.
12. High Shoals (Gaston County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
13. Manteo (Dare County): Liquor-By-The-Drink.

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the North Carolina Missions Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

Respectfully submitted,
Thomas M. Freeman, President,
Christian Action League of N.C., Inc.

CHRISTIAN HIGHER EDUCATION REPORT

CALLING THE ROLL

North Carolina Baptists have founded and continue to support seven colleges and universities. (This number is second only to Texas, which sponsors eight Baptist schools.) What are the names of the North Carolina Baptist colleges, and where are they located? Perhaps calling the roll will prove helpful. Imagining a map of the state and reading from left to right, the Baptist colleges are: **Mars Hill,** in the mountains 18 miles north of Asheville, in the town of Mars Hill; **Gardner-Webb,** in the town of Boiling Springs, nine miles from Shelby and not far from the South Carolina border; **Wingate,**30 miles east of Charlotte, in the town of Wingate, also near the South Carolina line; **Wake Forest,** in the centrally located city of Winston-Salem; **Meredith,** in the capitol city of Raleigh; **Campbell,** 30 miles south of Raleigh, in the town of Buies Creek; and **Chowan,** in the Northeast town of Murfreesboro, and not far from the Virginia state line.

LOOKING INSIDE

During the 1981-82 school year, there were 15,798 students and 1,768 faculty and staff comprising the human side of the seven schools. Foreign students numbered 224 from 57 countries and territories from Australia to Zimbabwe. North Carolina Baptist college students are preparing for a variety of vocations, for example: church-related vocations, 665; teaching, 1,314; medicine (including nursing), 1,329; law, 961; social work, 384. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

SERVING THE CHURCHES

The business of Baptist colleges is the education of young people. This is the primary service provided by the colleges to the churches. The college

presidents have asked that the churches — pastors and lay people alike — help them by pointing young people from the churches toward Baptist colleges. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively — sometimes more inexpensively, depending upon the aid available — as he or she can attend a state institution.

GRATITUDE

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

Christian Education Committee

CHURCH TRAINING REPORT

WHY HAVE CHURCH TRAINING? This question seems to be foremost in the minds of churches, including pastors as well as members. The Word of God is full of answers to this question. One particular chapter in the Bible comes to mind. (Please read Ephesians, chapter 4.)

There is a definite need, more so than ever before, to teach our new converts, as well as the established Christian, how to combat the ever-increasing apathy toward the Word of God in this generation in which we live. There seems to be, even in our Baptist churches, movements to the far right or to the far left staying away from God's simple truths. We pray that every pastor, church leader, and church member hearing or reading this report will act now in what you know God would have you do toward training in His Word and His way of life.

We are happy to report that in 1981 we had 21 of 61 churches in the Association reporting church training. We thank God for that, but we must push forward. This is only ⅓ of our churches with training programs.

We want to congratulate you for your good participation and attendance for our annual "M" Night program and our "Youth Night" program. We, also, wish to congratulate Shiloh, First Baptist, and Lee Park for their fine youth and children who participated and won in our Associational and State Bible drills.

We want to thank publicly the following churches for being such wonderful hosts for these events:

Youth Night - Sardis
"M" Night - Austin Grove
Youth and Children's Bible Drill - First Baptist

On "M" Night, there are banners presented each year for the highest attendance and for the highest percentage of church training enrollment. The past year's winners were:

Highest Attendance - Austin Grove
Highest Percentage of Enrollment - Mary Elizabeth

We ask you to please get involved and participate in these special events.

Your Associational Church Training staff stands ready to help you with any information requested.

We are praying and believing that this coming year will be the best ever.

Mr. Wendell T. Price, Director

DIRECTOR OF MISSIONS REPORT

Many spiritual and material blessings have been experienced during the year 1981-82. Great and exciting things have happened in our Association as we have shared with you in the work of our Lord. The associational workers were found to be dedicated to the task assigned to them, and I take this opportunity to commend each one for the great work he or she has accomplished.

My wife and I continue to enjoy and are greatly blessed through the fellowship that we experience as we visit with our pastors and families, in church services, as we participate in the pastors' conferences and prayer meetings, and the other associational meetings. We have carried 8 new pastors and wives out for a meal on behalf of the Association during the year. We have attended 4 fiftieth anniversary celebrations, 1 sixty-fifth celebration, the

reception for Rev. Wayne Slaton, and 2 weddings. We carried Dr. Ray over the Emmanuel Church area, then out for dinner. We attended the Ministers' and Family Christmas Party, the Ministers' and Wives' Valentine Banquet, the Ministers' and Family Picnic in May, and the Ministers' and Family Ice Cream Supper in July.

It has been our privilege to visit 162 times in our churches, once or more in 56 of them. It was my great privilege to preach 32 times in regular worship services, 8 times in revival services, once on radio, 1 time at Quincy's at the "Here's Hope" luncheon, and 1 time at a Senior Citizens' meeting at Allen's Cross Roads. I spoke at Open House and Dedication of the fellowship hall at Oakland, spoke to 2 groups in VBS and also visited the Special VBS at Oakland, spoke at Watch Night Service at Corinth, spoke at Key Leadership Conference at Oakland, spoke at Youth Night at Sardis. Also, I spoke 10 times in 10 different churches in the World Missions Conference in Ashe County, making a total of 58 times.

We had the happy privilege of making the following visits: 24 visits in homes of pastors and families, 30 hospital visits along with 20 other visits where there was sickness and other needs. We attended 8 funerals, conducted 3 funerals, made 13 funeral home visits along with 5 visits in homes where death had visited the home. Also, we visited 1 elderly couple to secure old minutes to have for records.

Some of the very special events that took place in the Association were attending and participating in the Note Burning Service for their lot at Emmanuel Church; planning and attending the Evangelism Conference at Trinity Church; planning and attending "Here's Hope" revivals; participating in the ordination of Rev. Donnie Gamble, along with 2 deacons; attending the Ordination Committee meeting and questioning of Rev. Donnie Gamble, Rev. Jim Reich, and Rev. Roger Kiker; and the many other activities in the paragraphs that follow.

The following associational activities were promoted and participated in by the Director of Missions: Monthly pastors' conferences and prayer meetings, quarterly Council and Executive Committee meetings, 2 days of Annual Associational meetings at Euto and Hopewell, "M" Night at Austin Grove Church, Sunday School Leadership Training, VBS Clinic at Monroe, First, GA Day Camp at Marshville Park, Key Leadership Planning meeting, Mission Fair at Centerview Church, Prayer Seminar, conducted by Rev. Vic Cole, Regional Music Conference, Associational WMU Council and Dinner meeting, Church/Convention Leadership Dialogue led by Dr. Ray, the Annual WMU Meeting, Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering, Week of Prayer for Home Missions and Annie Armstrong Easter Offering, Week of Prayer and Emphasis for Associational Missions, Week of Prayer for North Carolina Missions Offering, summer camps, conferences, and retreats; Christian Home Week, S.B.C. Media Center Conference, Southern Baptist Convention, Key Leadership Conference (state and associational), Cooperative Program, January Bible Study, WMU Focus Week, Baptist Men's Day, State Evangelism Conference, Baptist State Convention, Bold Mission Thrust, Associational Youth Bible and Speakers' Tournaments, VBS, "Here's Hope" revivals, and others.

Other meetings attended were: 5 Senior Citizens' meetings and dinners; 10 homecomings and appreciation dinners along with 6 other studies and dinners including stewardship and Sunday School; attended 2 Church Training

Planning meetings at the home of Wendell Price; attended and helped Myrtle in teaching 8 study courses with a total of 15 churches participating. I was interviewed by 2 GA groups; attended 2 sessions of January Bible Study; attended Open House for the new fellowship building at Faulk Church; attended a birthday party in my honor given by the GA's of Hartis Grove Church; and met with a committee interested in beginning a new church.

It was my privilege to help move the piano (donated by Mr. and Mrs. Dean Baskins) to the associational building. Too, it was a joy to deliver minutes to 20 churches in April and we saw that the minutes got to all the churches within 2 weeks after they were delivered to the office. I had an interview with Channel 36 and local paper in reference to beer and wine sales. I also wrote an article to the local paper in reference to beer and wine sales.

I have attended and participated in the following area and state meetings: Gideon Banquet, 2 Children's Homes Emergency Center meetings and dinners, Baptist State Convention, Greensboro (3 days); Director of Missions Conference, Wingate, (4 days); Home Mission Week at Ridgecrest (4 days); Christian Study and Fellowship, Mars Hill College, (4 days); 7 Board meetings of the Red Cross Chapter, 2 Union County Ministerial meetings, City Council meeting in reference to rezoning the office area, North Carolina Baptist Home meeting and dinner, Albemarle; DOM and General Board meeting, Camp Caraway; Evangelism Conference, Greensboro (2 days); Area DOM meeting in Gaston Association and Stanly Association, Key Leadership Conference, Ridgecrest (3 days); 2 alumni meetings at Wingate, our twenty-fifth class anniversary dinner at Wingate, 2 class agents' meetings, Wingate; and a reception for Dr. Corts, Wingate.

I have participated in the following local conferences and committee meetings: 683 individual, 49 groups, and 27 committee meetings.

Fourteen hundred and fifty (1450) newsletters have been printed and mailed each month to inform our people and promote the work of the Association and Conventions.

The challenges and goals of Bold Mission Thrust and the "Here's Hope" revivals and evangelistic efforts are very important. May we each convenant to pray and put ourselves at God's disposal to be used of Him as He sees best to accomplish these goals. Your cooperation with us and the Association, and especially your prayers, are greatly appreciated. Continue to pray for us and work with us in our prayer.

Respectfully submitted,
Ellis L. Marks, Director of Missions

EVANGELISM REPORT

Reports are still coming in to the State office on the "Here's Hope" Joint Evangelistic Crusade held in March and April, 1982. Figures to date indicate 2,932 professions of faith and 34,266 re-dedications, with only 36 of the 80 associations being complete in their report.

There were 42 churches in the Union Baptist Association which committed themselves to participate in the "Here's Hope" Crusade. The reports of the results have been real encouraging.

The annual one-day Evangelism Conference held March 2, 1982, at the Trinity Baptist Church was a great success. The attendance was good. We are

expecting the attendance to increase greatly next year. On March 1, 1983, the one-day conference on evangelism will be held at the Oakland Baptist Church. This conference is for everyone in the Association.

On February 14, 1983, a seminar, "Growing An Evangelistic Church," led by Dr. Victor Cole, Director of Evangelism Development, North Carolina Convention, will be held in the conference room of the Associational office. This seminar is for pastors and other interested persons. All materials are free.

There was a very helpful seminar on "Prayer for Spiritual Awakening" held at the Associational office on September 20, 1982, led by Dr. Victor Cole. It was a very meaningful seminar for all who attended.

The State-Wide Evangelism Conference will be February 7-8, 1983, at Ovens Auditorium, Charlotte, North Carolina.

Evangelism is the life line of our churches. Without evangelism, we die.

"...as my Father hath sent me, even so send I you." (John 20:21).

Respectfully submitted,
Rev. John Crain, Chairman
Evangelism Committee
Mr. Gene Lewis

The financial support of the churches to the Association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. We need your continuing support in order to pay for this building. Help our Association meet this very great and vital need.

If every church would give the Association 3% of its total budget, we would have adequate funds to meet our needs.

The Finance Committee

GENERAL BOARD REPORT

The past year has been a good one for the Baptist State Convention. Some of the controversial issues having been settled, we were able to look in the future with affirmative and concentrated efforts. We have prayerfully and zealously approached several issues.

Decisions have been made and plans completed for our new Baptist Building. Construction is progressing according to schedule with completion expected in December. Everyone is looking forward to moving into these new quarters.

As a member of the Business Management Committee and the Audit Sub-Committee, I have become increasingly aware of the conscientious efforts of our State Convention in our program planning process. More and more people today are involved in the decisions about how Baptists' resources of funds and programs are utilized than was true several years ago. Over 500 convention-elected people work on 24 different boards and committees, sending recommendations to the Budget Committee and, finally, to the Convention for approval in the annual session. Certified public accountants are employed to examine the receipts and expenditures of our State Convention. This assures the Baptist people of North Carolina that the monies are spent in the way the Convention mandates.

With all the manpower and resources of North Carolina Baptists, we should be more zealous in our efforts in the work of our Lord.

Respectfully submitted,
Mr. Henry B. Gaye

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room.

These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) A new method of delivering anticancer drugs by means of an "infusion pump", which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography", used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis", which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both in-patients and out-patients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totaled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 — bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead, we have mixed reactions of excitement and anxiety. The introduction is over; in 1983 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the goal of our 1983 associational missions program;
5. We need a strong commitment to reach the goal for our 1983 State Cooperative Program budget;
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of Biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the Gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. Having a

Bold Mission Thrust stewardship presentation in every church is a major concern for 1983.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Give Boldly-Defining My Growing Commitment." Magnifying giving through the local church is a primary emphasis.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), missions, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND:

1. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of Biblical stewardship and provide studies and activities throughout the year to accomplish the goal.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

III. ENDOWMENT AND CAPITAL GIVING PROMOTION

A. Wills, trusts, and Estate Planning

The work of YOUR BAPTIST FOUNDATION continues to serve the churches and their agencies by promoting eternal stewardship responsibilities and by acting as managers of funds that benefit every facet of the Kingdom. Increased emphasis is being placed on making our people aware of their stewardship of possessions beyond tithe and gifts made in one's lifetime.

To assist in this awareness we recommend:

1. That each church in your association observe MAKE YOUR WILL MONTH (January) Emphasis in 1983.
2. That pastors be asked to focus special attention on the work of Your Baptist Foundation (State and SBC) during the month of September.
3. That each church have a Money Management Seminar with emphasis given to wills and trusts.
4. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

B. Church Fund Raising

The need to build buildings in an expanding local ministry causes the congregation to be faced with the securing of funds. Many congregations are

torn between local ministry needs and world mission needs. The Stewardship Commission offers assistance to the congregation in two ways:

1. **Building for Today's Challenge** is a "do-it-yourself" program.
2. **Together We Build** is a consultant-led program with a tailor-made emphasis designed for each church.

This assistance is designed to help congregations raise as much capital as is possible and to reduce long-term financing. Congregations all over the Southern Baptist Convention are using these programs with great success.

To assist in capital funding we recommend:

1. That every church anticipating a building program, contact the Stewardship Commission for assistance in financial planning.
2. That every church raise as much money as possible to reduce long-term financing. (105 churches and 2 institutions raised $34,895,292.00 in 1981.)
3. That every church remember that the Stewardship Commission is a service agency ready to help in meeting their local needs. Help is available by contacting the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee 37219, for their advice and counsel.

SUNDAY SCHOOL REPORT

For over 200 years the Sunday School has been the Bible teaching organization in the church. Boys and girls have learned John 3:16 while their parents studied what loving your neighbor means in 1982. It has thrived on volunteer efforts and survived as the one place where lay people continue to play a leading part.

During 1981-82, the primary effort for the Association has been devoted to a Sunday School workshop where teachers and directors could enhance their abilities as they lead their classes in Bible Study. It is the director's belief that we need well-trained teachers to lead our church in order to aid the Sunday School in its function.

There remains another need—people. The Southern Baptist Convention has set a goal of 8.5 by 85. The goal is to increase Sunday School enrollment from 7.6 million people in 1982 to 8.5 million people in 1985. To meet that goal, some churches will offer new classes for singles, young adults, or senior citizens. Over the years, the Sunday School has proven an amazingly creative and vital part of the church's life. So, it is a good time to celebrate its life, and it is time to hope that it might continue its place in the lives of our churches.

Constitution of the Union Baptist Association

ARTICLE I—NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II—PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members or major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV—AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decisions of those present shall be considered the action of the Association.

Failure to report annually to the Association, or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of co-operation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be neccessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V—OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice-Moderator shall become Moderator of the Association. When the need arises to replace the Vice-Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice-Moderator. This person shall assume the position of Vice-Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI—EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missio-

nary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII—ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice-Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex-officio member of the Associational Council.

The Vice-Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the Calendar Year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII—TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Associational property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or transfer any property of the Association without a specific vote of the Associational authorizing such action: neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX—NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant: and at such time as it deems proper, shall make a recommendation to the Annual Association that the applicant come under the watchcare of

the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the co-operation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the Annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X—PROCEDURE

The business of the Association shall be conducted according to "Robert's Rules of Order," where not otherwise provided by this Constitution or the By-Laws.

ARTICLE XI—AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and By-Laws for clarification and correlation.

ARTICLE XII—ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

AMERICAN BIBLE SOCIETY REPORT

"You wanted to kill people by the power of the gun; here is the Bible. Now go and face people with the power of the Word." With these words, a prison guard in Kenya gave a convict a copy of the Bible which had been supplied by the Bible Society of Kenya. As a result of his reading it, the prisoner committed his life to Christ and is now beginning a new life with hope and faith.

Similar miraculous conversions are taking place daily all around the world. The American Bible Society is grateful for the support of Southern Baptists in helping to win these people to the Lord. In 1982 the Bible Societies of the world distributed 484,633,537 Bibles, Testaments, Portions, and Selections in over 150 countries.

Through the United Bible Societies, The American Bible Society is involved in translation projects in 574 different languages of which 375 are the first translations of some part of the Bible. Good News for New Readers Scriptures, a graded approach to Scriptures for first readers, are now available in languages spoken in 70 countries. New reader translations have been completed in 380 languages and are in progress in another 68 languages.

In 1982 the ABS distributed its 100 millionth complete Bible. One especially important program has been the distribution of 1,280,000 New Testaments to prisoners in the United States.

More than 48,000 men and women serve as volunteers for ABS, many of them Southern Baptists.

Scripture shortages are growing worldwide. Even though the Bible Societies are working harder than ever to provide enough Scriptures for the people of the world, millions may yet have to go without the comfort and guidance of God's Word in the coming year.

To make Scriptures available to the millions of people who are eagerly seeking His Word, financial support by Southern Baptists needs to continue and increase. Working jointly with ABS, Southern Baptists can help provide others with comfort, guidance, and faith promised by our Lord.

Respectfully submitted,
Marian Hume
ABS Coordinator

ANNUITY BOARD REPORT

"Nineteen hundred eighty-two has proven to be an epochal year for all of us at the Annuity Board. Even in the midst of varying interest rates, unemployment, recession and denominational unrest, the Annuity Board has continued to develop, market and service the retirement and insurance plans for the

associations, churches, and agencies of the Southern Baptist Convention," said Annuity Board President Darold H. Morgan.

Key statistical highlights in 1982 included:

1. A 10 percent 13th Check was mailed to annuitants who retired before 1980. Those annuitants who retired in 1980-82 received their 13th Check bonus in their monthly checks.
2. A total of $30,663,412 was paid in retirement benefits.
3. Total assets administered by the board as of December 31, 1982 $1,057,947,515 compared to $896,535,999 on December 31, 1981.
4. Relief funds from the Cooperative Program totalled $455,009.
5. Membership records indicated that 18,111 persons were enrolled in Plan A, 65,855 in Plan B, and 4,256 in Plan C.
6. Earnings on retirement and related funds for 1982 totalled $108,923,263. This compares to $46,068,904 for 1981 or an increase of $62,854,359.

How do we compare in Union Association? Less than 2/3 of our 62 churches are in the program. Only 1/3 of these pay in more than the minimum amount of $33.34 per month. Less than 5% pay 10% of the total salary including fringe benefits. We must see to it that our ministers have better retirement protection.

Rev. Claude Simpson, Chairman,
Ministers' Retirement Committee

BAPTIST CHILDREN'S HOMES REPORT

The Charlotte Family Services Center of the Baptist Children's Homes of North Carolina continues to minister with a wide range of services to the Charlotte area, including Union County. As you and I know, the family as a social and spiritual unit is under intense pressure from many factors in our culture. The ministry of this organization is to not only deal with problems before they become serious but also to help solve the serious family problems that are all around us.

In summary, these services include the following:

1. The Charlotte Family Services Center has a major emphasis regarding family enrichment through the concept of preventive care. We offer services in communication skills, parenting skills/education with direct social service intervention, coordination and support to families who contact us. We always welcome opportunities in associations, churches, and communities to lead workshops or training groups in one or all of our services. The office is located in the Mecklenburg Baptist Association Building, 209 S. Kings Drive, Charlotte (phone: 376-0452). The office secretary will gladly help you with information, and refer you to Sandy Bailey or Diana Faust, who serve as social workers. They act as contact point for most local services, plus many excellent services outside the Charlotte area. For example, there is a Maternity Home in Asheville for unwed mothers, a very viable alternative to abortion.

2. The Charlotte Emergency Care Center, 9741 John Russell Road (located in the Newell community near the University of North Carolina at Charlotte), is licensed to serve four (4) girls age 6-18 who need temporary shelter from one to ninety days. Robert and Marie Knowles provide direct Child Care services for each girl who enters this home. Since admitting their first child on March 18, 1975, they have served 319 girls in this one emergency care location.

President Reagan and our own Senator Jesse Helms have repeatedly pointed out that the church is responsible for the poor, the widow, and the orphans. God emphasized this in James 1:27. Certainly Southern Baptists have a good start in fulfilling their responsibility in this area. But it is only a start. Each of these programs could be expanded if God's people made themselves more available — i.e. their time, money, and prayers.

Opportunities abound for Christian service with the Baptist Children's Homes. The need for mature Christian adults, who will consider houseparenting or serve as supply Emergency Care Houseparents, is an important service to children, family, and BCH. Foster Homes especially for young teenagers are needed immediately to provide stability and supervision to these young lives.

As pastors and leaders in your respective churches, you have an opportunity and a responsibility to broaden the base of this ministry. To inform and motivate your church many things are available from Baptist Children's Homes — excellent written materials, speakers, personal visits to the facilities, and audio visuals. For example, the film "You Needed Me" would make an excellent choice for a missions program or church service.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

The Baptist Children's Homes ministry is an effective and necessary arm of the church. I would urge you and your church to use its services when necessary and continue to support it in every way you can.

Respectfully submitted,
Richard A. Nelson, Member,
Baptist Children's Homes Committee
Mrs. Fred Jobe

BAPTIST FOUNDATION REPORT

Have you ever received a "Mrs. Pig letter"? We want our 1983 report to be such a thank you note to North Carolina Baptists.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that *Postman of Bayberry Lane* was their favorite book. The gist of the story centered around Mrs. Pig who everyday met the postman at her mailbox but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes

are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters".

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

Respectfully submitted,
Edwin S. Coates, Executive Secretary

BAPTIST HOMES, INC. REPORT

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for those in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Respectfully submitted,
Rev. Clegg Allen, Chairman,
Baptist Homes Committee
Mr. William S. Griffin
Mr. Max Parker

BAPTIST HOSPITAL REPORT

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Mr. Mahan Siler, who has been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program

and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

Respectfully submitted,
Mr. Lex Funderbur, Member,
Baptist Hospital Committee
Rev. Donald Ray Helms

THE BIBLICAL RECORDER REPORT

The *Biblical Recorder* is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the *Recorder* is the fourth oldest among the 34 state Baptist papers in the Southern Baptist Convention, exceeded in age only by the Georgia, Kentucky, and Virginia papers.

The past twelve months have been a time of transition for the *Recorder.* R. G. Puckett became editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor of the *Recorder* from the editorship of *The Maryland Baptist.* Puckett is the only man in Southern Baptist life to have served four different state Baptist papers. High and Puckett are the only team of editors who have both served as editors of other state papers before coming to North Carolina.

The cost of second-class postage threatened the very survival of the state Baptist papers in 1982, including the *Recorder.* However, with the faithful support of subscribers, assistance from the state convention and tight management of finances, the paper is now stable and as secure as possible under present economic conditions. Future costs for second-class postage are unknown and greatly feared. Your prayerful concern at this point is earnestly requested.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the *Recorder.* Economy of production and increased space by approximately 50 percent were the deciding factors. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the added amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the *Recorder* approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the *Recorder* are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists. Most of all, the staff requests your prayer support and faithful reading of the *Biblical*

Recorder, one of the largest and most influential Baptist papers in the history of Baptists in the United States.

Respectfully submitted,
R. G. Puckett, Editor

BROTHERHOOD REPORT

Brotherhood is more than just men and boys. It is also disaster relief, mission action, mission projects, mission study, and mission support. We have experienced growth in all of those areas this year.

Several of our churches worked on projects in West Virginia, in North Carolina, and in our own Association. For the year of 1981-1982, we had an increase from 1,026 to 1,144 in our associational Brotherhood department. This year several new Brotherhood departments were formed. We should meet our projected goal of 1500 by 1985.

The associational track meet held this spring was among the best in the state, thanks to the leadership of RA leader, Herbert Spurlock, and the organizing ability of Brother Don Austin of Sardis Baptist Church.

On a state level, a dedication service was held on September 10 for our disaster relief trailer. It is ready for use should the need ever arise. We are in the process of developing great plans for future projects for the next few years. I encourage you to look these plans over and get your church involved in this exciting work.

Respectfully submitted,
Mr. Gene Williams, Director

CHRISTIAN ACTION LEAGUE REPORT

We are grateful to our Lord for what your association has meant to the cause of social and civic righteousness in our state in the past 12 months. You have assisted the efforts of the League with appropriate action along with your prayer and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROADS ACT OF 1983 — Due to the growing problem of the needless slaughter of innocent men, women, and children upon our highways due to drinking drivers, the League called upon Governor James B. Hunt, Jr., to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983 General Assembly. He complied with this request, and the recommendations of the Task Force were compiled into the Safe Roads Act of 1983. Even though the powerful beer-liquor-restaurant lobby along with other alcoholic retail groups were able to "water-down" some key provisions in this legislative packet, we at least have a measure that can be strengthened in the future to deal with the irresponsible drinking driver.

II. STATE LOTTERY — With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery. The League organized the oppostion to this issue. When the pro-lottery forces paraded representatives of the lottery industry extolling the "virtues" of such for North Carolina at a legislative public hearing, it was the Christian Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat.

However, this is not a dead issue. Pro-lottery forces are seeking state tax funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly. May we not "grow weary in well-doing" or we will get stuck with a lottery as we did with liquor-by-the-drink.

III. REFERENDUMS — In the past 12 months, you made it possible for the League to assist 7 communities successfully in defeating various referendums. These were:

1. Archdale: Liquor-By-The-Drink; ABC Liquor Stores; and Off-Premise Beer and Wine sales
2. Newton: Liquor-By-The-Drink
3. West Jefferson: ABC Liquor Stores
4. Banner Elk: Liquor-By-The-Drink
5. Lenoir County: Liquor-By-The-Drink
6. Kings Mountain: ABC Liquor Stores and Off-Premise Sales of Beer and Wine
7. Elizabethtown: Liquor-By-The-Drink

Other referendums are pending.

CONCLUSION — Thank you again for making it possible for us to remain on the "firing line". May your churches continue to provide the prayer and financial support so that we might be an effective instrument for the cause of social and civic righteousness.

Respectfully submitted,
Tom M. Freeman, President
Coy C. Privette, Executive Director

CHRISTIAN HIGHER EDUCATION REPORT

NEW COLLEGE PRESIDENTS

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham Southern College, Southern Baptist Tehological Seminary and Vanderbilt

University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

Congratulations to Wingate and Wake Forest! These qualified leaders join Presidents Fred B. Bentley, John E. Weems, Norman A. Wiggins, Bruce E. Whitaker, and Craven E. Williams as leaders in Christian higher education for North Carolina Baptists.

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts, and your prayers.

CHURCH TRAINING REPORT

Thanks to you, our "M" Night and our Youth Night programs were a big success this year. Our Association was well represented; but in the coming year, we are looking for many more churches to be represented. On "M" Night, Mary Elizabeth Baptist took the High Attendance banner with 66 present from an enrollment of 71. Sandy Ridge Baptist took the Percentage of Enrollment banner with 61 present from an enrollment of 63. We want to give a special thanks to the churches who hosted these events — Youth Night, Mt. Harmony; "M" Night, Mary Elizabeth. We also want to congratulate Shiloh Baptist for their fine children who participated in and won in our Associational and State Bible Drills.

The big question — are you as pastors, deacons, and church leaders, representing the Union Association churches, proud of what you have done toward training and developing believers in your church this year? If not, please help us. We must have God's help, but we also need yours.

Any church wishing to start a training program can receive a "Project 400" box absolutely free containing enough materials to start your program. In addition to this, you may order up to $60 worth of free materials. Please contact your Associational Church Training staff for information.

Respectfully submitted,
Mr. Wendell T. Price, Director

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1982. The Council made available bulletin inserts, posters, world hunger calendars, and hunger bank labels in addition to free offering envelopes.

Department of Christian Citizenship Education

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to 800 contact persons in churches across North Carolina. Members of the L.I.N. have been especially involved with two major issues: drunk driving and the state lottery. Baptists were instrumental in securing passage of the Safe Roads Act, a tough and comprehensive package of legislation aimed at curbing drunk driving in North Carolina. Not only did Baptists call and write their legislators, but members of the L.I.N. attended committee and sub-committee meetings at the General Assembly and communicated directly with senators and representatives at crucial points during the bill's consideration. The new law, which goes into effect in October, promises to aid in the crackdown on drunken drivers. As is always the case, however, the final version of the law was not as strong as many had wished. the L.I.N. will monitor the implementation of the Safe Roads Act to see if further changes need to be made in the law. Baptists also played an important part in defeating a proposed state lottery. Based primarily on an anticipated revenue shortage, the state lottery was suggested as a way for the state to make money off its people's urge to gamble. The bill was defeated in the state Senate, but the state lottery is an idea certain to surface in future years, especially when financial times are tough. Other legislation covered by the L.I.N. included a package of bills to provide alternatives to prison as a form of punishment, a resolution supporting a freeze in nuclear weapons, proposals to protect the state's residents from hazardous wastes, and a bill to make it a crime to hold someone in slavery in North Carolina.

Department of Christian Family Life

A wide variety of family events was sponsored this year. Included were eight marriage enrichment retreats, including one leadership training event; one clergy couples' marriage enrichment retreat and for the first time a pre-marital retreat; nine family enrichment conferences; six singles seminars and a single adult leadership conference; three parenting workshops and a Strengthening Christian Families leadership workshop. Co-sponsored by the department were a chaplain's wives retreat; "Senior Adult" marriage enrichment and singles retreats in addition to sharing leadership in a holy land trip for senior adults. Program leadership was furnished in two Better Homes Clubs. For the first time, a domestic violence seminar was offered at the state level. Also, a Divorce Adjustment Workshop was held. Consultations by the director, assisting churches, associations and pastor's conferences in their crucial task of strengthening family life were offered. Two conferences for pastors wives were underwritten. Family life revivals were led in two churches.

A new pamphlet, "Senior Adults and Families", was added to the Growing Christian Families series.

Department of Aging

The department continued to expand its ministry to senior adults through new events and services. Five leadership workshops were conducted across the state, in addition to four major conferences/retreats held at Caraway Conference Center. Additionally, two new retreats - one for singles and the other for retired couples, were added. A senior adult tour of Egypt and the Holy Land was conducted and a statewide senior adult rally attracted a large and enthusiastic audience. Coordination between senior adult leaders and opportunities for training was provided through Contact, a newsletter/training resource furnished by the department to all senior adult clubs in the state convention.

W. Douglas Cole, Executive Director

DIRECTOR OF MISSIONS REPORT

The Union Baptist Association has experienced another great year in the Lord during 1982-83. This is due to the splendid cooperation of all the officers and committee members, pastors of the churches, and the churches of the Association. A good spirit of Christian fellowship and unity continues to prevail. We thank God for the many things that we have been able to accomplish and His blessings upon us.

It has been a great privilege to share in Christian fellowship with our pastors and families in personal visits in their homes and as they have visited in our home, also in the pastors' conferences and prayer meetings, and at many other times and places. We have carried 10 new pastors and wives out for a meal on behalf of the Association. My wife and I have made a total of 39 visits in the homes of our pastors during the year.

During the church year we have had the great privilege of visiting once in at least 60 of our churches making a total of 153 visits, which includes visiting some of the churches twice or more. As of now, we have visited in all 62 of the churches. I have been granted the privilege of speaking in the churches 50 times. This includes helping ordain Rev. Bob Martin, 2 building dedication services (Emmanuel and Hermon), and a revival at King Memorial. I, too, helped in the organization and constitution of Lakeview Baptist Church and their groundbreaking.

Myrtle and I have shared in Home and Foreign Mission Emphases in 9 of our churches this year. We attended the receptions of 2 of our new pastors and participated in Pastor Appreciation Day at Hillcrest and 1 Choir Director Appreciation Day.

Myrtle and I sponsored Christmas Open House for the ministers and wives and Council members of the Association. Many of our people visited us at this time at the Associational Parsonage.

I was privileged to speak on the Association at 1 Baptist Men's Breakfast and attend the Brotherhood and RA Rally of the Association. I met with the Church Training Council 4 times for planning the work and met with the Youth Council 4 times for planning the youth work.

Other associational meetings that I have attended are: 2 sessions of Evangelism Conference, Youth Night, Annual WMU meeting, Sunday School meeting, Annuity Board meeting, participated in Early Bird VBS Clinic, the regular VBS Clinic, Stewardship meeting and dinner, 2 nights of Deacons' School, pastors' and family picnic, pastors' and family ice cream supper, Pastors' and Wives Valentine Banquet, Pastors' and Wives Christmas Banquet, a 4-hour workshop on "Building an Evangelistic Church". I met with the Christian Relations Committee at 1 of our churches, participated in a meeting of youth workers and pastors, Youth Rally, Key Leadership Conference, "M" Night, Sunday School workshop, study of the "Understanding Books", 2 days of annual associational meeting, Ordination Committee, committee of a new church, old fashion dinner, several homecomings in the churches, each time the Pastors' Conference met and each time the Pastors' Prayer Meeting was held, attended and participated in 4 Associational Council meetings and 4 Associational Executive Committee meetings. I met with key leaders to plan the work and met several times with the program planning committee as they planned the annual associational meeting. I have participated in the following local conferences: 815 individual conferences, 57 group conferences, and 29 committee meetings. I have made several visits in homes where death had come and many funeral home visits and helped in 3 funerals in our Association.

Some of the area and state meetings attended are: Southern Baptist Convention in Pittsburgh, 3 days of the Home Mission Week at Ridgecrest, visited the Baptist Building in Cary with our pastors and wives, 3 days of State Directors of Missions Conference at Wingate, 3 days of Key Leadership Conference at Ridgecrest, regional Music Conference, class agents meeting at Wingate, 3 days of State Convention at Fayetteville, attended several Red Cross Board meetings, alumni meeting at Wingate, Biblical Recorder meeting at Camp Caraway, DOM meeting at Gardner-Webb College, DOM meeting at Stanly Associational Center, Handbell Festival at Matthews Baptist Church, and Union County Ministerial meetings. I have performed 1 wedding, helped in their rehearsal, and counseled with the young couple before the wedding. I visited the Governor's Mansion concerning the DUI issue, the State Staff and State DOM meeting at Raleigh, all sessions of the State Evangelism Conference in Charlotte, January Bible Study at Mars Hill College, area Children's Homes meeting at Carmel Baptist Church in Charlotte, and other important meetings.

During each month we have published and distributed over 1,400 newsletters. This is done to keep our people informed as to what has happened and what is to happen within our Association and Convention.

I am looking forward with great anticipation to another great year in the work of our Lord as we work with our churches through our Association.

Respectfully submitted,
Rev. Ellis L. Marks, Director of Missions

EVANGELISM REPORT

The Kingdom of God grows by birth not transfers. During 1982 our churches reported 539 baptisms, an average of less than nine per church. Hopefully, the 1983 figures will be an increase. Our Baptist churches have almost as many prospects as members.

"Evangelism and Growth" was held at the Oakland Baptist Church. Local pastors and laymen were encouraged to continue their evangelistic efforts.

The theme for our churches in 1984 is "one more than ever before." Each church is being challenged to set a minimum goal of baptizing one more than any year. The early church preachers preached, man must repent, man must exercise faith. The goal for '84 will be very reachable when today's preachers do the same.

One relatively new area in evangelism is the "Continuing Witness Training" or better known as CWT. This is a very intensive training of one week. Two persons take the training and then involve additional people in their home church for a thirteen-week period. One goal of our convention's evangelism department is to make the CWT program available to every region of the state. Presently Raleigh and Hendersonville are the only cities with CWT certified leaders. The CWT materials are secured only through certified CWT leaders.

National plans are already being developed for nationwide revival efforts in 1986. Each church is encouraged to plan an eight-day revival period. Different dates across the nation should enable each church to secure a dynamic person to lead in revival services.

The statewide emphasis for 1984 will be to train churches in methods of preparation and conducting revivals.

Evangelism finds its very being in a man with a purpose. Jesus came into the world with a unique purpose. Let Him tell it, *For the Son of Man is come to seek and to save that which was lost.* His followers are to proclaim His purpose.

The New Testament teaches we are saved from our past by justification. We are being saved in the present through sanctification by the Spirit. We shall be saved in the future through glorification by God the Father.

Evangelism is based on a biblical mandate. It is the expression of the church in fulfilling the Great Commission.

Our churches can claim our county for Christ when we let His very purpose for coming become our purpose for being.

Two dates to remember in '84 — State Evangelism Conference in Greensboro, February 6-7, and our associational conference on March 6.

Respectfully submitted,
Rev. John Grant, Chairman,
Evangelism Committee
Mr. Gene Lewis

4. GENERAL BOARD - Mr. Henry Gaye expressed his appreciation that he was given the opportunity to serve as General Board representative.
5. DIRECTOR OF MISSIONS - Rev. Ellis Marks referred to his printed report. He asked that the Committee be much in prayer for those churches that are without pastors.
6. YOUTH - Rev. Eddie Jarvis informed the Committee of Youth Day at Wingate College on November 19, 1983. He asked for prayers and support from everyone for youth work.

Rev. Clyde Simpson expressed his appreciation to Mr. Gene Williams and the Brotherhood for the volunteer labor he instigated on the construction work at Lakeview Baptist.

In the absence of Rev. Vance Edwards, chairman of the Finance Committee, Rev. Gouge recognized Mr. Buford Griffin, Treasurer, to present the proposed budget upon the recommendation of the Council. The motion was made to accept the budget, seconded, and carried. Various items were then pointed out by Mr. Griffin. Rev. Eddie Jarvis then amended the budget to add a new item No. 10 under organizations entitled Youth Ministries. Rev. Jarvis then spoke to the amendment. Motion was made, seconded, and carried to include this item in the amount of $300.00. A motion was then made to accept the amended budget, seconded, and carried.

The tentative 1984 calendar was then presented to include any additional or deleted items. Motion to accept the calendar was made, seconded, and carried.

Rev. Gouge mentioned that the church survey and budget at Lakeview Baptist had not been completed at the last meeting. Therefore, a motion was made that the request for pastoral aid of $4800 per year, rental aid of $2400 per year, and lot aid of $2500 per year be granted. Motion seconded and carried. It was then clarified that the lot aid would be for reimbursement of rent already paid since the church would soon be in their new building. The request for these funds is being made to the Baptist State Convention.

Rev. Gouge presented the following recommendation from the Council:

1. That $792 per year be granted to Forest Hills Baptist for pastoral aid. Motion was made, seconded, and carried.

Rev. Gouge then recognized Mr. Leigh Malcolm, chairman of Trustees Committee, concerning the painting at the associational parsonage. A figure of $650 to have the painting done was presented. Motion to accept this figure was made, seconded, and carried.

Rev. Gouge informed the Committee that the Council had another matter that would be handled by the Constitution and By-Laws Committee.

Rev. Clyde Simpson then gave some further information on the progress of the church building at Lakeview Baptist.

There being no further business, motion was made, seconded, and carried to adjourn.

The meeting was closed in prayer by Rev. Jack Napier.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

The financial support of the churches to the Association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. We need your continuing support in order to pay for this building. Help our Association meet this very great and vital need.

If every church would give the Association 3% of its total budget, we would have adequate funds to meet our needs.

GENERAL BOARD REPORT

As construction details were completed, dreams were fulfilled when staff and other dedicated people moved into the new Baptist Building located on Western Boulevard, Cary, N.C. on January 25, 1983. The Lord richly blessed as many people worked to completed this building in record time. It is a facility of which each North Carolina Baptist can be justly proud.

During the past four years there have been many improvements in the facilities at our Fort Caswell Assembly. A new residence for the camp director has been built. A renovated reception center provides the visitor or camper with adequate information and direction in a very efficient and pleasing manner. The cafeteria has been greatly improved. Numerous other buildings have been updated and changed to provide much better office and classroom space. Plans have been made to retain the historic quality of the facility and restore existing buildings to better use. At Camp Caraway a new wing is being added to the existing conference center consisting of thirty-two bedrooms and several meeting rooms.

North Carolina Baptists have contributed in numerous ways to the European Baptist Convention through funds and personnel provided. Work is continuing on the Togo project in Africa. Many churches are participating in the West Virginia project. Emphasis on church growth is still being implemented in our local North Carolina churches, through the Bold Mission Thrust.

I sincerely urge you to continue to pray for the staff of our state convention as well as each North Carolina Baptist.

As I complete my four year term as general Board member, I appreciate the confidence you expressed by permitting me to represent you in our convention.

Respectfully submitted,
Henry B. Gaye

MUSIC REPORT

Music is a very important part of a worship service and it's our responsibility to give it our best efforts.

A workshop for music directors and accompanists of our Association was conducted October 3 by Dr. Ron Bostic and Mrs. Polly Bostic, both on faculty at Wingate College. There were 19 people, representing 10 churches, who attended the workshop. I believe it was very successful and plan to have more training events this year.

We are enjoying good fellowship in our associational choir and anticipate more blessings as we continue singing together.

Carol Howard, Director

ORDINATION COMMITTEE REPORT

The Ordination Committee of the Union Baptist Association questioned two young men for the ministry during the past year.

On November 18, 1982, Oakland Baptist Church called for the ordination of Robert Martin. On June 12, 1983, West Monroe Baptist Church called for the ordination of Allen Love.

On each occasion, the men were thoroughly questioned and were found to be solidly grounded in God's Holy Truths and the committee recommended that each of these young men be ordained.

PRISON MINISTRY REPORT

Although my health has prevented a full-time participation in the Prison Ministry at the unit in Monroe, I have been in constant contact and have participated from time to time in the actual presentation of the Gospel at the unit during the year.

I am happy to report that the Prison Ministry is alive and well, with an ever-increasing movement toward and fulfillment of goals to help the men behind the fence realize that they are still humans and that God loves them with an everlasting love. The response to that wonderful message has been both encouraging and challenging.

The Weekly Programming of the Gospel has gone on without interruption during the year with a constant flow of men coming to know the Lord. The

"Church Behind the Fence" is a group of staunch Christian prisoners who constantly witness and teach the concepts of Christian Grace and living right there within the confines of the guard towers.

The regular Sunday services held from 9:00 - 10:00 a.m. each Sunday continue to be a popular gathering. The Wednesday afternoon "Bible Study" is well attended with 35-40 men attending on an average.

Our revival services were held the week following Easter. At the close of the meetings, 18 men were baptized and have become strong members of the fellowship within the compound. This "community of believers" behind the fence will compare favorably to any comparable Christian group in society. They are strong in faith and constant in Bible reading, study, and prayer. They would be a credit to any church in the county. Incidentally, you might be interested to know that the State of North Carolina provides a baptismal tank on trailer wheels, which is brought right into the compound for the baptisms. This makes immersion the method by which we baptize our converts.

We held two holiday parties during the year. These were designed to encourage the whole prison population to be in a meeting in which we present the Word of God to them. This is followed by ice cream and homemade cake (all of which have been provided by our Union Baptist Association women). These parties are unqualified successes. Sixty-five inmates made a renewal stand for the Lord Jesus Christ at the Christmas party. I want to take this opportunity to thank our ladies for their labor of love and to all who have helped us in the ministry in any way, shape, or form.

One of our deep concerns has been that of putting the Gospel into practical service for the men of the unit. There is an almost constant need to have families visited where there is sickness or severe economic or living situations. Transportation is needed to and from bus stations in order that relatives might visit. Men need someone to write letters for them because they cannot write or spell themselves. Some of them just need the encouragement of a visit from a Christian on Sunday afternoon. Some of them are looking for pen pals just to have the need of a personal relationship with another human being fulfilled.

Consequently, we have asked Prison Fellowship to join with us in this area of our ministry. This group was founded by Charles Colson — former Special Counsel to President Nixon. He knows the heart and the mind of the prisoner — he is a deeply committed Christian who is putting his faith where his hands and feet (and his mouth) are for Christ. The Prison Fellowship state offices for North Carolina are located in Monroe (operated by a former prisoner). This locale makes our coordination both feasible and easy. We feel that this is going to be a boon to the ministry as a whole. Already, there are some who are visiting prisoners regularly. Others have become pen pals with inmates who have **never** gotten a letter from anyone since they have been in prison. These are opportunities to speak of the Lord and to implant the Word into hearts that are lonely and receptive to our Lord Jesus Christ.

Meetings of the Monroe Prison Fellowship are held each 4th Monday night of the month at 7:30 at the Pisces Realty building on Phifer Street. If you wish to know more about this, you may call my friend, Joseph Baucom, 753-1043. You are certainly invited to become a part of this and to encourage your church to become a part of the program whenever possible. Needs will be circulated during the year by letter through the organization.

May I solicit your continued deep commitment to prayer for the work being done in the prison. Men are constantly moving on to Honor Grade (some of

them much earlier than scheduled because their lives and attitudes have been changed, and the officials see it) and on out into society. Some of them are becoming evangelists for the Lord - others are becoming stable members of churches and are beginning or reestablishing their marriages under the banner of the cross. The bottom line is that God has met many of them in prison and they are taking that change back into society. Our Lord says in His word, " . . . I was in prison and ye visited me . . . inasmuch as ye have done it unto the least of these, ye have done it unto me . . . go ye into all the world, baptizing in the name of the father, the son and the Holy Ghost . . . and behold I am with you even unto the end of the ages . . . "

Our ministry in the prison is a fulfillment of that command and prophecy.

STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead, we have mixed reactions of excitement and anxiety. The introduction is over; in 1984 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a strong zeal and spirit of cooperation to attain the goal of our 1984 associational missions program;
5. We need a strong commitment to reach the goal for our 1984 State Cooperative Program budget;
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

II. STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an

opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. Having a Bold Mission Thrust stewardship presentation in every church is a major concern for 1984. The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing individual Christian stewards. The current stewardship theme is "Give Boldly-Defining My Growing Commitment". Magnifying giving through the local church is a primary emphasis.

Providing year-round stewardship development activities will help members grow spiritually. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), missions, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the Association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

III. ENDOWMENT AND CAPITAL GIVING PROMOTION

A. Wills, trusts, and Estate Planning

The work of YOUR BAPTIST FOUNDATION continues to serve the churches and their agencies by promoting eternal stewardship responsibilities and by acting as managers of funds that benefit every facet of the Kingdom. Increased emphasis is being placed on making our people aware of their stewardship of possessions beyond the tithe and gifts made in one's lifetime.

To assist in this awareness we recommend:

1. That each church in your Association observe MAKE YOUR WILL MONTH (January) Emphasis in 1984.
2. That pastors be asked to focus special attention on the work of Your Baptist Foundation (state and SBC) during the month of September.
3. That each church have a Money Management Seminar with emphasis given to wills and trusts.
4. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

B. Church Fund Raising

The need to build buildings in an expanding local ministry causes the

congregation to be faced with the securing of funds. Many congregations are torn between local ministry needs and world mission needs. The Stewardship Commission offers assistance to the congregation in two ways:

1. **Building for Today's Challenge** is a "do-it-yourself" program.
2. **Together We Build** is a consultant-led program with a tailor-made emphasis designed for each church.

This assistance is designed to help congregations raise as much capital as is possible and to reduce long-term financing. Congregations all over the Southern Baptist Convention are using these programs with great success.

To assist in capital funding we recommend:

1. That every church anticipating a building program contact the Stewardship Commission for assistance in financial planning.
2. That every church raise as much money as possible to reduce long-term financing. (105 churches and 2 institutions raised $34,895,292.00 in 1981)
3. That every church remember that the Stewardship Commission is a service agency ready to help in meeting their local needs. Help is available by contacting the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee 37219, for their advice and counsel.

Respectfully submitted,

Cooperative Program and Stewardship Committee

SUNDAY SCHOOL REPORT

The Association had one of its most productive years in terms of providing "help" for its Sunday School leadership. On February 10, members of the Sunday School Committee had the opportunity to attend an UNDERSTANDING BOOKS FACULTY TRAINING INSTITUTE at First Baptist, Albermarle. An Understanding Books Seminar was later planned for the Union Association. Also, members of the committee had the chance to attend the Key Leadership Conference at Ridgecrest on May 9-11.

During the **Associational** Key Leadership Conference, held at Austin Grove Baptist on August 23, the Sunday School Division had one of the largest groups in attendance. There was a tremendous eagerness to learn—and a good dialogue with sharing of ideas. The closing event for the Sunday School year was the **Associational** Understanding Books Seminar, held at Shiloh Baptist Church on the evening of September 20. The teachers and leaders in attendance received excellent training.

I would like to express my appreciation to the Sunday School Committee and the various faculty members who were so cooperative in giving of their time and expertise to make this a good year. We continue to look toward 1984 and the Sunday School Enlargement Campaign. Mike Whitson, pastor of First Baptist Church, Indian Trail, will head-up the Sunday School work for the Association next year. Please join with him; give him your support in making 1984 an even better year.

I move that this report be adopted on behalf of the Union Baptist Association Sunday School Committee and the Union Baptist Association.

Respectfully submitted,
Rev. Don Austin, Director

TRUSTEES REPORT

The general upkeep has been completed to date. Painting, plumbing needs, and new oil tank at our parsonage are complete.

Kitchen cabinets were also refinished — this part was done by the generosity of a private donor — a great thanks for this gift.

A new copy machine was placed in our associational office.

We now feel confident that our property is in excellent condition at this time and maintained within our budget.

WOMAN'S MISSIONARY UNION REPORT

"Life-Changing Accountability" has been the emphasis during the past WMU year.

Fifty-two churches in the association have one or more age-level organizations. During the year, WMU work was begun at Lanes Creek and Lakeview.

The following meetings were held during the year:

October: Baptist Women dinner at Austin Grove

November: Baptist Women World Day of Prayer (with the women of General Baptist Convention)

G-A-tivity

Acteens Prayer Retreat at Antioch

February: Associational BYW meeting at Faulks

March: Associational Acteens meeting at Wingate College

April: Annual WMU meeting at Hopewell. Rev. and Mrs. Kenneth Wellmon, missionaries to Leeward Islands, speaker
May: GA Day Camp Training
GA Day Camp at Calvary
Early Association Training for Associational WMU officers
August: Key Leadership Conference at Austin Grove
September: WMU Leadership Conference at Oakland
Mission Study Institute at Lee Park

Local church WMU members and/or associational WMU officers attended these meetings: State WMU meeting; WMU, SBC meeting; WMU Week at Ridgecrest; Acteens Convention; Associational WMU Officers' Workshop; Associational Acteens Council Training; Minding the Future meeting; BYW Convention; GA and Acteens Camp at Mundo Vista; Home Mission Graded Series Study; Foreigh Mission Graded Series Study; Understanding Books Training; State Key Leadership meeting; Home Mission Week at Ridgecrest.

The recipients of the Mary Blair Scholarship were Cheryl Bailey from the Austin Grove Church and Timothy Lynn Melton of the Mountain Springs Church.

For nearly 100 years Woman's Missionary Union has sought to perpetuate its original purpose — to stimulate a missionary spirit and the grace of giving among women and children. Those who proceeded us have left us a heritage of conviction, dedication, sacrifice, and cooperation. We, the WMU members, in the Union Baptist Association join with women, girls, and preschoolers throughout the convention to nurture this heritage and to seek to transmit it to the members of today's organizations.

"For God has made us what we are, created in Christ Jesus to do the good deeds which he had planned for us to do." (Ephesians 2:10 Phillips)

"We are called to be God's people
Showing by our lives his grace,
One in heart and one in spirit
Sign of hope for all the race.
Let us show how he has changed us.
And remade us as his own.
Let us share our life together
As we shall around his throne."

Constitution

of the

Union Baptist Association

ARTICLE I - NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members of major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI - EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex officio member of the Associational Council.

The Vice Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The Chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the calendar year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII - TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Association property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or tranfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant, and at such time as it deems proper, shall make a recommendation to the annual Association that the applicant come under the watchcare of the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - PROCEDURE

The business of the Association shall be conducted according to *Robert's Rules of Order*, where not otherwise provided by this Constitution or the Bylaws.

ARTICLE XI - AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and Bylaws for clarification and correlation.

ARTICLE XII - ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society Report

The officers and staff of the American Bible Society are deeply aware of the faithfulness in prayer and support of Southern Baptists in helping more people than ever to have access to the printed Word of God. Grateful appreciation is expressed to all who are involved in the vital ministry of Scripture translation, publication, and distribution throughout the world.

More than 700 translation projects are underway. For many people, it is the first time any

portion of the Scripture has been translated into their language. More than 497 million copies of Scripture were distributed in nearly every country in the world. The prayerful support of Southern Baptists both as individuals and congregations has made this possible.

Central to all outreach and evangelism is the availability of ample supplies of Scripture. Supplying Scriptures is of crucial importance to the Christian world mission, particularly in the developing nations where the Bible Societies are usually the sole source of Scriptures.

What good are the printed Scriptures if you cannot read? Despite worldwide advances in combatting illiteracy, more than 800 million of the world's people can neither read nor write. The New Reader Scriptures developed by the American Bible Society are the only reading materials available for the beginning reader in many parts of the world. The idea of "literacy and love for the Lord" has stimulated an increase in the financial support of the New Reader program in 1983.

During the past five years there has been an increase of 17 percent in the number of new Christians in five countries of Asia, Africa, and Latin America. More than 24 million new Christians need and want to read God's Word for themselves.

For these new Christians, for those who are already followers of Christ, and the millions of the world who are yet unreached, the American Bible Society earnestly hopes for the continued and increased support of Southern Baptists. In 1983, Southern Baptists gave $324,377 or about $.02 per member for the year. Making God's Word known, loved, and lived throughout the world is a ministry that Southern Baptists share with the American Bible Society. Together we can pray for it to grow in strength.

Respectfully submitted,
Marian Hume, A.B.S. Coordinator

Annuity Board Report

Have you heard the good news/bad news story about the Southern Baptist Convention retirement program?

The good news is that the new Church Annuity Plan, which will be considered by the State Convention this fall, and would go into effect in 1988 eventually will provide an adequate retirement program for pastors, staff members, and church employees - if the churches participate fully. The bad news is that more than 80 percent of the 13,222 who already have retired and the 1,000 more who are retiring annually - the total will be 20,000 by 1989 - will never know what "adequate" is like.

Those 80 percent do know, however, what it means when someone talks about the federal government's "poverty level" of $5,010 annually, because most of them are below it. The average monthly income from the S.B.C. retirement program for the 13,222 annuitants is $150.80. Almost 8 out of 10 receive less than $200 monthly and 52 percent are getting less than $100 a month. That meager amount coupled in most instances with an equally meager amount from Social Security adds up to a less than meager existence for the retirees who have spent their lives in service in Southern Baptist churches or agencies. The reasons for it are simple. Throughout their (or their husband's) careers they were paid subsistence salaries that limited their ability to supplement their retirement contributions, and the churches - if they contributed at all (15,000 don't participate) - contributed only the bare minimum amounts. Add to that the inflation of the last few years and the fact that many retirees have also lived most of their careers in church-owned homes, which they had to leave on retirement, and the bleak picture is complete.

And it won't get much better even well into the next century. The next several thousand Southern Baptist annuitants face the same kind of future - at least 80 percent of them. A glimmer of hope, however, is on the horizon in the Annuity Board's Endowment Department whose aim is to provide supplements for those under the $200 monthly minimum to get them at least to the federal poverty level. The program is headed by D. William Dodson, Jr., longtime Tennessee pastor who came to the board as vice president and director of the department three

years ago. Recently John Bloskas, who formerly headed the board's office of public relations, was lured out of private business to come back to the board as Dodson's associate. Dodson and Bloskas are attacking the problem with a two-pronged approach - working to build the endowment fund so that the interest from it will provide long-term undergirding of annuitant benefits and cultivating persons to adopt an annuitant, to underwrite a $50 monthly supplement for a person out there who is in that under $200 monthly group. The latter program is growing in acceptance and though it now involves only about 100 annuitants, it is progressing to the point where a new "adoptee" is being added daily.

The Endowment Department was begun five years ago by the Annuity Board trustees at the suggestion of President Darold Morgan. The initial goal was to establish an endowment of $25 million over 10 years. LAter projections, Dodson said, have indicated the need for $200 million. The fund is now up to about $6 million. The fund is developed from monies given in the past for endowment and others solicited specifically for that purpose. No retirement contributions are used by the Endowment Department, said Dodson. Both Dodson and Bloskas are available to lead estate planning and financial planning seminars in churches and to present the need for endowment funds and for persons to adopt an annuitant. They find an eagerness to help on the part of many Baptists when they hear of the plight of others, especially middle and senior adults who have retired ministers in their families. "They know the real extent of the need," said Dodson.

In the Union Association, about one-third of our churches do not participate in any part of the annuity program. Twenty-five (25) of our churches pay the minimum or less into the program. Fifteen (15) churches pay 4-10 percent of their base salary into the program.

If all of the pastors should retire today, including pastors and widows now drawing, the monthly benefits would not amount to $70 per month. Our goal is: every church investing 10 percent of the pastor's basic salary into the program. This amount will insure the pastor's retirement income barely above the poverty level.

Baptist Children's Homes Reports

The Charlotte Family Services Center of the Baptist Children's Homes of North Carolina, Inc. seeks to serve families (children, young people, and adults) within an eight county area. These counties are Anson, Cabarrus, Cleveland, Gaston, Lincoln, Mecklenburg, Stanly, and Union.

The "Family Services" concept recognizes the family unit as basic to life's dimensions. It incorporates the idea and understanding that it takes tremendous cooperative effort to keep families together and to help mend broken relationships in family units. We seek to minister to all who call upon us for help.

We are constantly seeking to meet the growing social and spiritual needs around us. Enhancing the quality of life for a child and his/her family is a constant goal for us in the Charlotte Family Services Center.

Our social workers, secretary, and emergency care staff are ready to assist you in placement services as well as non-placement services. The services of placing a child in emergency care is one of our most often used services. While it is important for children to be placed, it is also important that their families receive support, guidance, and direction while they are separated from other family members. Your prayers and continuing support is necessary in this process.

Pray for us at the Baptist Children's Homes as we seek God's will regarding our need for child care workers and associate child care workers who live in from day to day with these children and young people. Pray for us as we seek to meet and introduce new people to our work in the Charlotte area. Pray that people in our churches will become more aware of the

services being offered. Total resident church membership for the eight county area is over 162,000 people in over 500 churches.

Call our office (704) 376-0452 to reserve the 16mm film "You Needed Me." Visit us at the Charlotte Emergency Youth Care Center at 9741 John Russell Road.

We continue to be grateful for the support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering (NCMO), and designated gifts. Grant us time to get to know you as we serve our Lord together.

We continue to praise the Lord for the faithfulness of the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding, and financial resources.

Respectfully submitted,
Baptist Children's Homes Committee

Baptist Foundation Report

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable fiction character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we *could* continue our witness forever. We know that we *should* plan for such continuing witness. And now each of us *can* participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E.T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is all paid out to Baptist causes or annuitants - was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work - forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

Baptist Homes, Inc. Report

Benevolent care projections for the fiscal year ending September 30, 1984, are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Currently, approximately 40 percent of the residents in the five Homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwrite their full cost of care. As you can see, your mission gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given.

Operating expenses for the Homes' ministry increased approximately three percent during the 1983 fiscal year. Currently, expenses are running 3.6 percent ahead of the same period last year. The 220 Baptist Homes' employees are responsible for such a modest increase. They are truly a special part of the Homes' ministry with older persons. Faithful staff members and their dedication to the Homes and the residents add an important plus as the Homes minister with older persons.

During the past months, another group of important people have come together for a special purpose and work in the life of the Retirement Homes. For the first time in the Homes' history, a statewide Capital Funds Campaign has been undertaken. Fred Lovette, retired president and chairman of the board for Holly Farms, has given unselfishly of his time to pull together key leaders across North Carolina to formulate an Advisory Team and leadership people to raise $2½ million through the "A Call To Remember . . ." Campaign. Through the efforts of Fred and many other individuals, many new friends have been made. Gifts to the "A Call To Remember . . ." Campaign are going to be used to renovate and update the Hayes Home facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit, and improvements to the grounds of the Hayes Home Campus.

The Homes' 33-year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

Resepctfully submitted,
Rev. Clegg Allen, chairman,
Baptist Homes Committee,
Mr. Max Parker, Rev. Claude Connell

Baptist Hospital Report

During the past year, Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency

room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15 percent reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the section on urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff, and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

The *Biblical Recorder* Report

History was made last year when the *Biblical Recorder*, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the *Recorder* moved into its own building, becoming the fourth state paper to have its own building.

In February 1912, the *Recorder* moved into its own building in the heart of Raleigh. In July 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the capital city. Coming to Raleigh in 1838 from New Bern, the *Recorder* is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the *Biblical Recorder* is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the *Recorder* is to inform, indoctrinate, enlist, inspire, and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation, and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The *Biblical Recorder* does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful *Recorder* reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support, and readership. We continue our march toward making the *Biblical Recorder* the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

Brotherhood Report

God continued to bless our Brotherhood work in all areas of missions involvement this year. Through the efforts of the Brotherhood leaders of each church, our associational Brotherhood grew at a rate of 17 percent in 1983.

Many of our churches were involved on homeland projects this year. Some went to West Virginia to help build new churches and on projects in North Carolina.

The third annual track meet was held this spring under the direction of Herbert Spurlock. Each year the number of boys and girls participating has grown larger. Many of our boys went on to compete in the state meet.

This year we added a mechanics group to the 14 special areas of missions involvement on a state level. The overseas missions group has the Togo project underway, and North Carolina Baptist men are now at work in Africa. The Disaster Relief Unit spent nine days in eastern North Carolina after the March 28, 1984 tornadoes, feeding 12,989 meals and giving financial aid to individuals, families, and churches in need. On May 11, the unit spent two days in Kentucky feeding flood victims. On September 12, the unit responded to feed people evacuated by Hurricane Diana.

We have added more leaders to the associational Brotherhood Department to help you encourage our men and boys into personal involvement in missions service.

Christian Action League Report

We rejoice in victories that God has given us in the past year and recognize our dependency upon Him for the challenges in the coming year.

I. UNIFORM DRINKING AGE OF 21: President Reagan has signed into law legislation that results in states losing federal highway funds if age 21 is not established as a minimum drinking age for all alcoholic beverages. North Carolina General Assembly bowed to the pressures of the beer industry and bar and tavern operators and did not raise our state's drinking age to 21. States that have gone to age 21 have experienced a 28 percent reduction in teen-age fatalities in alcohol-related crashes. So, what we could not accomplish with our own legislators, the League joined with our counterparts in other states and launched a campaign

in the U.S. Congress which was successful. It is apparent now that the 1985 legislature will raise the drinking age to 21 because of the projected loss from $15 to $30 million in federal highway funds. It goes to prove that we have a General Assembly that is more concerned about dollars than the lives of our young people.

II. LOTTERY: Thanks to your help, the General Assembly defeated by a narrow margin legislation that would have put the state into the gambling business. However, the pro-gambling industry has targeted North Carolina as a key state for another effort in 1985. Now is the time to get commitments from the candidates to the 1985 General Assembly to oppose such legislation. You have the ear of politicians at election time. So, use your influence while it counts.

III. PORNOGRAPHY: North Carolina has become the nation's "smut" capital with more sex outlets (x-rated theaters, etc.) per capita than any other state. Now, we are being told that only the states of New York and California exceed North Carolina in the availability and distribution of child pornography.

Quite frankly our state government has done absolutely nothing to curb the porno plague that has been sweeping our state. Some local communities have been successful by enacting Public Display Laws dealing with porno magazines in convenience stores, etc.

A few communities have been able to close down some x-rated theaters. Senator Jesse Helms has legislation pending in the U.S. Senate that will curb dial-a-porn and cable porn that has become so prominent. Let him know of your support in this area. Contact the Christian Action League, P.O. Box 2126, Raleigh, NC 27602, if we can assist you in dealing with the pornography questions in your community.

IV. BEER, WINE, AND LIQUOR ELECTIONS: We consider it a privilege to have been able to assist several areas in defeating referendums in the past year. The alcohol industry was defeated in campaigns conducted in Nash, Edgecombe, Scotland, and Chatham counties. The communities of White Lake, Clarkton, and Mocksville were also victorious in similar votes. However, one of the key victories was in the Avery County town of Elk Park where beer sales were abolished. This ought to encourage other areas to follow their leadership.

V. ABORTION: North Carolina remains the only state in the Southeast to use state tax funds for medically unnecessary abortions. Federal funds are provided for those cases where the mother's life is endangered. However, we use state tax funds for those who use abortions as a matter of birth control or convenience. States like Texas stopped using state tax funds for such and have discovered that there was no increase in the rate of complications. To remove this funding, get a commitment from your candidates to the North Carolina General Assembly.

CONCLUSION: Through your prayers and financial support, you have made it possible for the League to be able to have a BOLD witness in the BOLD MISSION that you have given us. As we approach a new year, need we be reminded: ALL THAT IS NECESSARY FOR EVIL TO FLOURISH IS FOR GOOD PEOPLE TO DO NOTHING.

Christian Higher Education Report

WHY BAPTIST COLLEGES?

In a special study adopted by the Council on Christian Higher Education, the Baptist college was described as *a place for study; a place for growing in spiritual and intellectual maturity; and a place where life continues and futures are shaped.* Our seven Baptist colleges are *worth what they cost* because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and living concern.

3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal, and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest, founded in 1834 when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and the gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts, and prayers.

Church Training Report

We want to again take this opportunity to thank each church, pastor, and leader of our Church Training departments for realizing the importance of Church Training. It is distressing to see so many Baptists leaving our ranks to join other religious organizations, even "cults." Please let us join together in prayer and commitment to see that our church people are trained and committed to our Baptist doctrines.

We are delighted to see the enthusiasm and the progress in Church Training. Thanks to you we had another very successful "M" Night and Youth Night. A special thanks to Lee Park Baptist for hosting Youth Night and Hillcrest Baptist for hosting "M" Night. We wish to congratulate Sandy Ridge Baptist for their fine representation in winning both the High Attendance Banner and the Percentage of Enrollment Banner at the 1984 "M" Night service. We also want to congratulate Shiloh and Fairfield for their participation in the Youth Speakers' Tournament and Children's Bible Drill at the associational and state levels.

Council on Christian Life and Public Affairs Report

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1983. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were five associational or churchwide family enrichment conferences; six marriage enrichment retreats in addition to sponsoring the annual three-day clergy couple M.E.R. Retreat in January and the four-day Leadership Training M.E.R.; two areawide single adult seminars, a church single adult event, and preaching at a single adult Sunday observance; spoke at two Better Homes Clubs and two church night family emphases on topics such as "Domestic Violence," "The Family Coping with Suicide and Depression." The Director received training at Ridgecrest in the new Family Ministry Parenting Enrichment model "Parenting by Grace" and led two four-day "field tests" in two churches. This model will be available next year for the final "Strengthening the Family" emphasis on parenting. A Christian Family Lifestyle workshop, "Opening the Windows of the Family on the World" was available in four sites over the state.

Leadership was offered at four Directors' of Missions Regional Planning meetings in the new *Family Ministry Associational Program;* two *Strengthen the Family Leadership Workshops*; one Pastors' Conference; the *Bi-Vocational Ministers' Conference* at Caraway; the *Fall Festival of Marriage* at Ridgecrest and chaired the Family Ministry Section of the two-day Directors' of Missions - Home Mission Study.

Two Family Life Conference presentations on marriage and parenting were videotaped for use by the churches of the Convention through the Communications Department.

DEPARTMENT OF AGING

The department continued to expand its ministry with senior adults across the state. Twelve senior adult leadership workshops were conducted with more than 500 persons in attendance from 180 different churches representing 42 associations. In addition, five conferences/retreats were held at Caraway Conference Center with close to 800 persons participating. The department cooperated with the Christian Family Life Department in several family life conferences with sections for senior adults. Several "You and Your Aging Parent" seminars were conducted. The mailing list for *Contact*, a newsletter containing information for senior adult clubs in the State Convention was greatly expanded. Senior adult ministries continue to grow rapidly in North Carolina Baptist churches and a new emphasis on the associational model for senior adult ministries has emerged this year.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of Christian Citizenship Education has centered on two types of activities: voter participation and legislative information. Voter registration and turnout remain low. In the May primaries, for example, only about a third of the North Carolinians of voting age went to the polls. This department has encouraged Baptists to register and to vote by making available a bulletin insert, used in more than 300 churches, which supplied necessary information and encouraged participation. The Legislative Information Network has continued to provide reports on the work of the General Assembly to about 800 contact persons in churches throughout the state. The legislature met briefly in early March to redraw several of the state's legislative districts in ways that provide fairer representation to some of the state's minorities. In the summer, the General Assembly convened for its regular short session, at which time the budget was fine-tuned for the 1984-85 fiscal year. A significant part of the money allocated

during the short session went for education, primarily as salary raises for teachers and other personnel. A Moral Concerns Rally in the South Roanoke Association helped alert Baptists to the growing menace of legalized gambling.

World hunger continued to be a matter of concern to many Baptists. Once again, June was designated as World Hunger Month in North Carolina. The Council made available bulletin inserts, posters, hunger banks, placemats, giving guides, and pamphlets, in addition to world hunger offering envelopes. North Carolina Baptists' response to hunger took on two forms this year. First, the NC/Togo Partnership channeled some of our financial contributions and the efforts of a host of volunteers into an exciting missions effort to help some who are hungry and thirsty in the small West African country of Togo. This partnership will continue for another two and a half years. Second, the North Carolina Hunger Fund began to give assistance to churches and associations combatting hunger here at home. Already this money has been used in exciting and worthwhile ministries, helping, for example, to provide hot meals for the elderly in Belhaven and to make food available to migrants in rural parts of Wake County. North Carolina Baptists, like those across the Southern Baptist Convention, continue to give increasingly large amounts to help the hungry, but so much remains to be done. While our giving in 1983 was the highest ever (and is running even higher thus far in 1984), the average Southern Baptist's gift was less than 75 cents for the entire year.

W. Douglas Cole, Executive Director

Director of Missions Report

As we come to the close of another great year in the Union Baptist Association, we would like to *thank* all of you, lay people and ministers alike, for the support you have given us in the work, especially the prayer support.

The Lord has really been good to us and His love and His Spirit are with us continually. We really feel His presence each time we visit in your church.

It continues to be a great privilege and a joy to serve our Lord and the good people of Union Baptist Association. We have made many visits in the homes of our pastors as well as our lay people. We have been blessed by attending the pastors' conferences and prayer meetings as well as the other meetings. We have carried 12 new ministers and wives out for a meal on behalf of the association. My wife and I have made 28 or more visits in the homes of our pastors during the year, and we have had the happy privilege of entertaining several of our pastors and wives in our home.

We have had the privilege in this church year to visit 59 of our 62 churches. We hope to get to all 62 before our associational meeting. Too, we have visited the two churches coming under the watchcare at the associational meeting. I have been privileged to speak 40 times in our churches. This includes helping ordain deacons at Forest Hills, Antioch, Oakland, and Pleasant Hill. It includes the dedication services at Midway and Lakeview; also a note burning at Waxhaw and the organization of Covenant Baptist Church. We attended three other note burning services during the year.

Myrtle and I have presented the Home and Foreign Mission Studies to 13 of our churches and attended three other mission emphases, one at Hamilton Cross Roads and two at Monroe, First. We attended the reception of the new pastor at Oak Grove, the 10th anniversary and Pastor Appreciation Day for Rev. Culbertson at Marshville, and two dinners of farewell to Oak Grove and Ebenezer pastors.

I spoke on the associational work at a Brotherhood meeting at Oakland, and attended the Brotherhood and R.A. Rally of the association. We also attended several homecomings and special dinners at our churches.

I met with the Church Training Council three times to plan the work and also the Youth Council twice to plan the youth work. I have met in two Sunday School planning meetings, and met with the W.M.U. Council in their annual planning meeting.

The following associational meetings were attended: two sessions of the Evangelism Conference at Shiloh; participated in the annual W.M.U. meeting at Lee Park; participated in the Early Bird V.B.S. Clinic; participated in the Sunday School "Send I You" Clinic; Kickoff Banquet for Sunday School Enlargement Campaign at Calvary; Small Sunday School Pastor/Director Workshop at Friendly; a three hour workshop on Sunday School work at the associational building; participated in Youth Rally at Lee Park; Annuity Board Rally at Monroe, First; Annuity Board dinner at Holiday Inn; participated in a worship service at the prison camp; two retired ministers' fellowship dinners at Hilltop and Quincy's; carried several groups on a tour of the associational building; ministers' and wives' Christmas banquet at Austin Grove; ministers' and wives' valentine banquet at Quincy's; ministers' and families' ice cream supper at Sutton Park; several 50th anniversary celebrations and weddings of our people; met with pastors and members of Covenant Baptist and Cornerstone Baptist desiring membership in the association; participated in the Key Leadership Conference at Shiloh; participated in four Associational Councils and four Executive Committee meetings; Children's Bible Drill and Speakers' Tournament; Stewardship meeting and dinner at Quincy's; participated in two days of annual associational meeting; met with New Church Committee and held 31 other committee meetings; participated in "M" Night program; Hospital Visitation Seminar at Union Memorial Hospital; had dinner with Baptist World Alliance representative; 101st anniversary celebration at Marshville; met with key leaders of the association in a planning meeting; met several times with the Program Committee to plan the associational meeting; 150th anniversary celebration of Mt. Olive; baptized a grandson at Oakland; had dinner with Wendell Price and Dr. Leighton Ford prior to "M" Night service; Stewardship program and dinner at First Baptist, Monroe; senior citizens' dinner at Roanoke, Central, Centerview, and Oakland; spoke at senior citizens' dinner at Ebenezer; spoke at senior citizens' dinner at Central Methodist Church; Thanksgiving worship service and dinner at Benton's Cross Roads; met with state representatives and committees of two churches applying for pastoral aid; had lunch with Dr. Paul Corts to discuss the ACTS Program; a joint meeting of the association and Wingate regarding the ACTS Program; accompanied the Church Training director as he carried two pastors and wives out for dinner; met with several pulpit committees; had an interview with Acteens of Midway; attended a rally opposing liquor-by-the-drink; delivered minutes to several of our churches; participated in the Easter Sunrise Service and breakfast at Mary Elizabeth; helped at the Evacuation Center at Forest Hills High School; six Christmas programs in our churches; participated in 855 individual and local conferences and 59 group conferences; a valentine banquet at Oakland.

During each month we have published and distributed over 1,400 newsletters. We do this to keep our people informed of local, State Convention, and S.B.C. happenings.

The following area and state meetings were attended: participated in the Inauguration Worship Service for Dr. Paul Corts; the "Send I You" Clinic at Sanford; S.B.C. in Kansas City, Missouri, W.M.U. Conference in Kansas City, Missouri; three sessions of Pastors' Conference in Kansas City, Missouri; three days at State Directors of Missions Conference at Wingate; 2½ days at Mars Hill Week of Christian Study and Fellowship; four days of Home Mission Week at Ridgecrest; one day of North Carolina Missions Conference at Camp Caraway; Directors' of Missions meeting at Stanly Baptist Association Center (2); seven or eight countywide ministers' meetings; several Red Cross Board meetings; three days of Tri-State D.O.M. Conference at Southeastern Seminary; three days of Baptist State Convention in Greensboro; alumni meeting at Wingate; Gideon Banquet at Holiday Inn; three days at Ridgecrest for Key Leadership Conference; January Bible Study Clinic at Wingate; annual associational meeting in Stanly Association; two days of state staff and D.O.M. meeting at Caraway twice.

We anticipate another great year in the Lord as we serve you as your director of missions. May each of us covenant to pray and put ourselves at God's disposal to be used of Him to accomplish His will in our lives. Continue to pray for us and work with us is our prayer.

Respectfully submitted,
Rev. Ellis L. Marks,
Director of Missions

Evangelism Report

Jesus said "say not ye, there are yet four months, then cometh harvest? Behold I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." Jesus was referring to the people following the woman that had gone to the city and returned with a host of people following her.

Jesus could easily say the same thing to all churches in the county. The validity of the statement is evident as follows - Union County, according to the last church affiliation study, has over 32,000 not affiliated with any church. The population in the county exceeds 71,000. The average attendance for Baptist churches in Sunday School on Sunday is less than 8,000. Using that figure as a norm for all churches, less than 25 percent of the county is in Sunday School. Since our county has over 32,000 unaffiliated, that figure is disturbing.

How well are we doing with the population increase? During 1982 our churches reported 539 baptisms, 1983 - 453. The fields are already white unto harvest.

God has placed an awesome responsibility on the church. Studying the New Testament we find God has no other plan for world redemption outside the use of the agency, his people. It seems that mandate to cooperate with God in His work is pressing indeed.

Hopefully, the one-day evangelism conference in the association is a positive affirmation towards encouraging all churches to reach people for Christ. The conference at the Shiloh Baptist Church was encouraging, both in messages and attendance.

It is needful for each church to have an active evangelism committee.

During the spring of 1986, "Good News America, God Loves You" will be a national effort. Effort is being made to involve, hopefully, every Southern Baptist Church in revival services.The deadline for church participation commitment to "Good News America" is July of 1985.

To help any church do advance planning, the following is being shared:

1984 - REVIVAL TRAINING SEMINARS
Train churches in methods of preparation and conducting revivals.

1985 - WITNESS TRAINING
C.W.T. training in each area of North Carolina.

1986 - CRUSADES (Southern Baptist Convention)
S.B.C. emphasis on national simultaneous revivals.

1987 - TARGET GROUP EVANGELISM
Emphasis given to Special Group Evangelism (ethnic, youth, divorced, elderly).

1988 - SEMINARS ON EVANGELISM
Twelve speakers in week-long seminar with participants returning to conduct seminars in their associations.

1989 - PARTNERSHIP EVANGELISM
Match up with groups outside North Carolina to help win the world to Christ (pioneer missions, foreign missions).

1990 - EQUIPPING EVANGELISM
Training counselors and conservers in evangelism.

1991 - COOPERATIVE EVANGELISM
Church to church evangelism.

1992 - PRAY! CHRIST IS COMING SOON!
Training in the imperative of praying.

Respectfully submitted,
Rev. John Grant, chairman,
Evangelism Committee,
Mr. Gene Lewis, Rev. Phillip McLean

Minutes of Executive Committee Meetings

December 13, 1983

The regular meeting of the Executive Committee of the Union Baptist Association was held on December 13, 1984, at 8:00 p.m. in the associational building. Rev. George Gouge, moderator, presided.

The meeting was opened by singing "Joy To The World."

Devotion was given by Moderator Gouge from the second chapter of Luke.

Rev. Steve Jacks led in prayer.

Moderator Gouge welcomed all new Executive Committee members. He then welcomed the following new pastors: Rev. John Wood of Pleasant Hill Baptist and Rev. William Jones of Hartis Grove Baptist.

Roll call was given with 43 members from 29 churches.

Minutes were read and approved.

The following reports were given:

1. SUNDAY SCHOOL - Rev. Michael Whitson, Sunday School director, asked each church that has set an enrollment goal for 1983-84 to give this figure to him or Rev. Marks. Rev. Whitson informed the committee that associational Sunday School work would be handled through the ASSISTeam.
2. BROTHERHOOD - Gene Williams, Brotherhood director, stated that the Baptist Men and R.A. Rally was successful.
3. TREASURER - In the absence of the treasurer, Rev. Marks referred to the printed Treasurer's Report.
4. DIRECTOR OF MISSIONS - Rev. Ellis Marks referred to his printed report. He presented all in attendance a Christmas greeting.
5. GENERAL BOARD - Dr. Roy Ford, General Board member, reported that the Board would be meeting in January.

Rev. John Grant, vice moderator, presented the following recommendations from the Council:

1. The following two men from the Executive Committee to serve as lay members on the Associational Council: Earl James of Austin Grove Baptist and Wendell Stegall of Ebenezer Baptist. Motion made to accept these two men, seconded, and carried.
2. That the associational office close at noon on Thursday, December 22 and open on Wednesday, December 28 for the Christmas holidays and close on Monday, January 2 for New Year's. Motion made, seconded, and carried.
3. That one week be set aside in the spring of 1985 for Sunday School enlargement. Motion was made and Sunday School director, Rev. Michael Whitson spoke to the recommendation. Motion seconded and carried.
4. That the pastors' prayer meeting be moved from Tuesday, December 27 to Thursday, December 29 due to the associational office being closed for the Christmas holidays. Motion made, seconded, and carried.

The matter of nominating a new W.M.U. director was discussed further. From the annual associational meeting in October, it was understood that the Nominating Committee would fill this position as Dr. Marian Hume has served more than five years as W.M.U. director. The Associational Council had been informed that the chairman of the associational Nominating Committee had moved his church membership out of the Union Association; and, therefore, leaves the association without a chairman of this committee. It was stated that the W.M.U. would have their new officers by the next Executive Committee meeting. A motion was made that the election of a new W.M.U. director be taken care of at the annual W.M.U. meeting, seconded, and carried.

There being no further business, the meeting was closed with prayer by Vice Moderator Grant.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

March 13, 1984

The regular meeting of the Executive Committee of the Union Baptist Association was held on March 13, 1984, at 8:00 p.m. in the associational building. Rev. George Gouge, moderator, presided.

The Committee was informed that the chairman of the Nominating Committee had been replaced by Rev. John Wood.

The following reports were given:

1. SUNDAY SCHOOL - Rev. Mike Whitson, Sunday School director, encouraged attendance at the "Send I You" workshop on March 20 and that churches make use of the ASSISTeam. Rev. Whitson advised the Committee of the Sunday School Enlargement Campaign Kick-off Banquet on April 19 at 6:00 p.m. for pastors, Sunday School directors, chairmen of Finance Committees, chairmen of Deacons, and spouses. He also advised that the associational V.B.S. workers have been trained.
2. CHURCH TRAINING - Wendell Price, Church Training director, thanked the pastors and laymen for having Church Training programs and reported that the goal in Church Training this year is to get five more churches started in Church Training. He reminded the Committee of Youth Night on March 17.
3. BROTHERHOOD - Gene Williams, Brotherhood director, reported on the Baptist Men and R.A. Rally on March 5 and that there will be a track meet for G.A.'s and R.A.'s on March 31.
4. TREASURER - Buford Griffin, treasurer, referred to his printed report. He emphasized help from all the churches in paying off the building loan at the January 1985 payment.
5. DIRECTOR OF MISSIONS - Rev. Ellis Marks referred to his printed report.

Rev. John Grant, vice moderator, was recognized to present the following recommendations from the Council:

1. That the Executive Committee petition Monroe Cablevision to make the ACTS program available. Motion made to accept this recommendation, seconded, and Rev. Mike Whitson spoke to the recommendation. Motion carried.
2. That due to the fact that aid applications must be in the State Convention office by June 1, that the Committee permit the Council to call a special meeting to vote on the applications for aid from Forest Hills Baptist and Lakeview Baptist when they are completed. Motion made, seconded, and carried.

It was stated that the Council has been informed by the Nominating Committee of the W.M.U. that they will have a nominee for W.M.U. director after their annual meeting in April. They are seeking to move their calendar to coincide with the associational calendar.

There being no further business, Wendell Price closed the meeting with prayer.

Mildred P. Tucker, Secretary-Clerk

June 5, 1984

The regular meeting of the Executive Committee of the Union Baptist Association was held on June 5, 1984, at 8:00 p.m. in the associational building. Rev. George Gouge, moderator, presided.

Devotion was given by Rev. Claude Simpson.

There were no new pastors to be recognized at this time.

Roll call was given with 29 members from 21 churches.

Minutes were read and approved.

The following reports were given:

1. SUNDAY SCHOOL - Rev. Mike Whitson, Sunday School director, reported on the

"Send I You" clinic. He encouraged use of the ASSISTeam and that the team is almost complete for the coming year. The Enlargement Campaign plans are proceeding with another meeting in December. He also reported that it would cost the Monroe Cablevision approximately $15,000 to be able to provide the ACTS program. However, if enough people and churches would petition, they could probably be persuaded to add the ACTS program.

2. TREASURER - Buford Griffin, treasurer, referred to his printed report.
3. DIRECTOR OF MISSIONS - Rev. Ellis Marks, director of missions, referred to his printed report.
4. GENERAL BOARD - In the absence of the General Board member, Dr. Roy Ford, Rev. Ellis Marks reported that the Search Committee for a new secretary-treasurer of the Baptist State Convention is working toward having a report ready for the September General Board meeting.

Moderator Gouge reported that the associational office will be closed on Thursday and Friday, June 14 and 15 due to Rev. Marks attending the Southern Baptist Convention and the secretary having asked for those days off.

Rev. John Grant, vice moderator, was recognized to present the following recommendations from the Council:

1. That the Executive Committee recommend to the Finance Committee to include an amount for local annuity promotion in the 1984-85 budget. Motion made, seconded, and carried.
2. That the association and churches participate in the 1986 simultaneous nationwide crusade in March of that year with the theme being, "Good News, America, God Loves You." The Evangelism Department of the State Convention wil handle the telecasting on a state level and the association and churches will handle local publicity. Motion made, seconded, and carried.
3. That because the budgeted amount for Sunday School and V.B.S. work has almost been used, an amount of $250 be allocated to be used by the Sunday School Department for members of the ASSISTeam to attend Ridgecrest in July, and that any time a matter of this type occurs, that it be brought before the Finance Committee first and then to the Council. Motion was made, seconded, and Moderator Gouge clarified that this amount would be taken from miscellaneous. Motion carried.

There being no further business, Rev. Robert Howard closed the meeting with prayer.

Respectfully submitted,
Mildred P. Tucker, Secretary-Clerk

The financial support of the churches to the association is very deeply appreciated. Without it we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. Our building is now paid for, but we will need your continued support to purchase much needed equipment which will cost several thousands of dollars.

If every church would give the association three percent of its total budget, we would have adequate funds to meet our needs.

General Board Report

As a member of the General Board, I attended my first meeting in January. The work of the General Board occurs within committees or councils. I was appointed to the Council on Christian Life and Public Affairs. As you will note in their report, the Council addresses moral questions, works with the aging, and assists in Family Life Concerns.

The Board passed through a year of transition. It sought a new general secretary-treasurer. In September, the General Board voted to recommend Roy Smith as general secretary and treasurer. He will be voted on at the State Convention in Asheville.

Much of the Board's meeting time was spent in hearing reports and carrying out routine actions. The Board will recommend a budget of $24,000,000.00 to the Baptist State Convention meeting. It will send 35.4 percent to the Southern Baptist Convention while using 64.6 percent in North Carolina.

The Board did authorize its new general secretary and Executive Committee to study the Convention's tax deductible status in relation to its gifts to groups that lack tax exemption, e.g. the Christian Action League.

The General Board meets in January, May, and September. The May meeting was held at Wingate College as the Board meets on one of our college campuses each May. The meeting at Wingate provided Board members a chance to see one institution that North Carolina Baptists help provide for educating young people.

Respectfully submitted,
Dr. Roy N. Ford, Jr., General Board Member

Music Report

We had one training session in church music this year and that was for our music directors and accompanists. Dr. Ron Bostic from Wingate College taught a class for accompanists. Those who attended agreed that it was successful.

Working with our churches in forming the associational choir has been a real blessing for me, and I believe their singing has been a blessing for you.

Thank you for your support while I have been your director.

Carol Howard, Director

New Church Committee Report

The New Church Committee has been at work during the year. We are pleased to bring the following recommendations to Union Baptist Association messengers:

1. That Lakeview Church be received as a sister church in the Union Baptist Association.
2. That Cornerstone Church be considered under the watchcare of the association for the coming year.
3. That Covenant Church be received under the watchcare of the association for the coming year.

The New Church Committee has met with representatives from each of the above churches.

Lakeview Church was taken under the watchcare of the association last year. We are happy to report that God is blessing greatly with growth in every area.

Cornerstone and Covenant churches were questioned by the committee in the following areas: church birth, membership, doctrine, finances, property, potential growth, goals, literature, evangelism, commitment to support the Union Baptist Association and the Southern Baptist Convention with finances, prayers, and participation.

After meeting with these churches, we feel confident that they want to be "used of God as a Southern Baptist Church."

Prison Ministry Report

We had our Christian picnic on August 17, 1984, with all inmates being invited. We had food and watermelons, and good Christian singers and leaders participated to make it all possible. We are trying to show the inmates that Jesus' love is for everyone!

We have had 12 inmates to be baptized this year, and we have helped many defeated inmates find victory and grow as Christians.

We have had great success in our clothing project and we continue to do this as needed.

Our Christmas social was held December 21, 1983, with the ladies of Shiloh Baptist Church furnishing the cakes. We are looking forward to a blessed Christmas season this year and we send our special thanks to all who have committed themselves to being "Jesus' Hands Extended."

So, on behalf of Prison Fellowship and all the inmates at the Monroe Unit, we send our special thanks. God bless each one of you for your continued faithfulness.

"A bruised reed he will not break, and a smoldering wick he will not snuff out." Isaiah 42:3.

Mr. Oscar Helms, co-chairman,
Prison Ministry Committee,
Mr. Joe Hill, co-chairman, Rev. Tony Bradley

Stewardship Report

The association sponsored a stewardship conference on May 8, 1984, with 56 persons present. Rev. O.D. Martin, Jr. of Raleigh led the conference.

In our associational Key Leadership Conference, 34 church leaders representing 28 churches participated in the stewardship group. Special stewardship emphases planned for the coming year are an associational sponsored stewardship conference and the Planned Growth in Giving emphasis.

All churches of the Southern Baptist Convention are urged to participate in a 15-year Planned Growth in Giving emphasis - 1985-2000 A.D.

Planned Growth in Giving is going to be one of the most exciting events in the history of your church. It will require hard work and attention to detail. However, the rewards will prove to be worth every effort.

(Summarize the program)

I move that our association adopt this emphasis and encourage the churches to participate.

Respectfully submitted,
Rev. Earl Henry, chairman,
Cooperative Program & Stewardship Committee,
Mrs. Albert Funderburke, Mr. J. Howard Williams

Sunday School Report

1983-84 proved to be a most positive, fruitful year in Sunday School associational work. With the leadership of the newly formed ASSISTeam, many plans and projects were made and carried through.

Following leadership night, the ASSISTeam went through extensive training to be able to minister to various churches. In February, the team attended a "Send I You" clinical workshop at Sanford. Bringing that visitation knowledge back to the association, they in turn taught the school at Corinth with 250 Sunday School workers in attendance.

In one of the most exciting adventures undertaken, plans were laid for an Enlargement Campaign scheduled for April 1985. In April, a kickoff banquet with 125 in attendance was held at Calvary Church. Approximately 20 churches have committed to participate in the campaign.

High Attendance Day in October has always been a day filled with enthusiasm and this year proved to be no different. The cooperative spirit of this event was unequalled.

Continued emphasis was placed all during the year on enrollment and the necessity of outreach to enroll people in Bible Study. The basic premise of Sunday School work as led by

the ASSISTeam will continue to major on enrollment with average attendance, increased offerings, and most important, baptisms increasing because of increased enrollment.

Respectfully submitted,
Rev. Mike Whitson,
Sunday School Director

Woman's Missionary Union Report

Woman's Missionary Union is active in seeking to help churches reach the goals of Bold Mission Thrust. Thus, the emphasis for 1983-84 was "Partnership in Prayer and Ministry."

There are currently 54 churches with one or more of the W.M.U. age-level organizations. Trinity Church has begun work during the year.

The following meetings were held:

October:	Baptist Women - B.Y.W. Prayer Retreat at Hillcrest
November:	Baptist Women World Day of Prayer with the women from the General Baptist Convention at Oakland
	G-A-tivity at Oakland
	Acteens meeting at Roanoke
April:	Annual meeting at Lee Park with Max and Joan Furr, Peru missionary speakers
July:	Baptist Women Prayer Retreat at Benton Heights
August:	Key Leadership Conference at Shiloh
September:	Leadership Conference at Oakland
	Acteens Meeting at Mountain Springs

Associational W.M.U. officers and/or local church W.M.U. members attended these state and national W.M.U. meetings: Baptist Career Woman's Retreat, B.Y.W. Convention, Mission Education Lab, Home Mission Study Teacher Training, Annual State W.M.U. Session, Acteens Queen's Court, G.A. Leader Retreat, W.M.U.—S.B.C., National Acteens

Convention, Associational Officers Workshop, Foreign Mission Study Teacher Training, North Carolina Missions Offering Training, W.M.U. Week at Ridgecrest, G.A. and Acteens Camps at Mundo Vista, and Home Mission Week at Ridgecrest.

Recipients of the Mary Blair Scholarship for 1984-85, given to two freshmen at Wingate College by the associational W.M.U., are Beth Hash of Hopewell Church and Wendy Lee Wentz of Oak Grove Church.

The Reverend and Mrs. Kenneth B. Helms, Jr., pastor at Euto Church, have been appointed as missionaries to Spain by the Foreign Mission Board.

On the associational W.M.U. achievement guide, the W.M.U. is DISTINGUISHED again this year.

The watchword for the year, "Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity" (Col. 4:2,5 TEV), has been a challenge for W.M.U. members to support missions through praying and to participate in mission action and personal witnessing. The theme of the year's hymn, "Lord, Speak to Me, That I May Speak," acknowledges that the source for power and equipping for effective Christian witnessing is the Lord. Frances R. Havergal closes this hymn with this plea:

"Oh, use me, Lord, use even me
Just as Thou wilt, and when, and where."

Marian Hume, Director

Constitution

of the

Union Baptist Association

ARTICLE I - NAME

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It is the purpose of the Association to provide an organization of cooperation for the Missionary Baptist Churches affiliated with it and to encourage them to faithfulness in every endeavor which we shall undertake together in the name of the Lord and Saviour Jesus Christ, and to encourage them in the support of the Cooperative Program of the North Carolina Baptist State Convention and the Southern Baptist Convention.

ARTICLE III - MEMBERSHIP

The Association in annual or special session shall be composed of the pastors of the churches in addition to duly elected messengers of the churches. Each church of 100 members and under shall be entitled to three messengers, and for each additional 100 members of major fraction (51 or more) thereof, one additional messenger. No churches shall be entitled to more than 10 messengers.

ARTICLE IV - AFFILIATED CHURCHES

Those Missionary Baptist Churches which have applied for membership, and by vote of the Association are accounted to be in fellowship with the purpose and undertakings of this body, shall comprise the list of affiliated churches. The vote of the Association to extend fellowship, or to withdraw fellowship, shall be a two-thirds vote.

All churches not affiliated with another Association of like faith may be admitted as members into this union by a two-thirds majority vote of the messengers present, provided they comply with Article IX of this Constitution, and make known their desire to become members of the Association at the annual meeting of the Association one year prior to the annual meeting when the Association will take action on their requests.

All churches composing the body of the Union Baptist Association, and those asking for membership in this body, shall believe and practice the doctrines of the New Testament as interpreted by Baptists through the years: that all churches presently composing this body, and all others seeking membership into the body at a later date, shall practice baptism by immersion only.

Messengers from one-half the churches shall constitute a quorum, and decision of those present shall be considered the action of the Association.

Failure to report annually to the Association or failure to be represented by messengers for two consecutive sessions without sufficient cause shall raise the question of fellowship. The Association may withdraw fellowship from any church which consistently fails to maintain a spirit of cooperation to support the objects of this Association. It shall be the responsibility of the Executive Committee to investigate and make recommendations to the Association with regard to withdrawal of fellowship from any member. At all times any action of the Association must conform to the following principles.

(1) The Association shall regard the churches as independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

(2) As every church is an independent body, amenable so far as authority is concerned to the Great Head of the Church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit. While, however, a church chooses to continue this connection, the Association must have a relative right to inquire into its standing whenever it may be necessary to do so, and in case of dissatisfaction to withdraw from it.

ARTICLE V - OFFICERS

The officers of the Association shall be elected at the annual session and shall assume their duties at the close of the session at which they are elected and serve until their successors are elected and assume their duties. Those filling the office of Clerk and Treasurer will serve through the first regular Executive Committee meeting following the annual meeting.

Officers shall be: Moderator, Vice Moderator, Clerk, Treasurer, Historian, Church Training Director, Sunday School Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, and other such officers as the Association deems necessary in the continuation of its work.

The term of the Moderator shall be limited to two consecutive years; other officers shall be limited to five consecutive years, with the exception of the Clerk and Treasurer. If for any reason the Moderator cannot serve out his term, the Vice Moderator shall become the Moderator of the Association. When the need arises to replace the Vice Moderator, the Associational Council shall present to the Executive Committee a nomination of the person to complete the unexpired term of Vice Moderator. This person shall assume the position of Vice Moderator after the approval of the Executive Committee.

The total program of the Association shall be under the leadership of the person holding the office of Director of Missions. His selection shall be upon the recommendation of a committee determined by the Executive Committee, and subject of the approval of the vote of the Executive Committee. The terms and conditions of the call shall be clearly set forth and published in the minutes of the Association. The supervision of the office of Director of Missions shall be the responsibility of the Associational Council.

ARTICLE VI - EXECUTIVE COMMITTEE

The Executive Committee shall be composed of the Moderator, Vice Moderator, Clerk, Treasurer, Historian, Director of Missions, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Music Director, Evangelism Director, together with the Pastor and a layman from each church, and the resident member of the General Board of the Baptist State Convention.

The Executive Committee shall act for the Association between regular sessions. Members representing one-fourth of the churches of the Association shall constitute a quorum. It shall submit a full report of the work or activities of the Association at each annual session, together with plans and recommendations for the promotion and extension of the work. Any vacancy of whatsoever nature occurring between sessions of the Association may be filled by the Executive Committee. It shall meet each quarter at the time and place suggested in the annual calendar of activities.

ARTICLE VII - ASSOCIATIONAL COUNCIL

The Association shall have an Associational Council composed of the Moderator, Vice Moderator, Clerk, Treasurer, Church Training Director, Sunday School Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, and Chairmen of the Finance and New Church Committees, and two laymen from the Executive Committee. The General Board Member from our Association shall be ex officio member of the Associational Council.

The Vice Moderator shall be Chairman of this Council.

The Council shall meet at least once each quarter prior to the regular meeting of the Executive Committee. The Chairman shall bring to each meeting of the Executive Committee a report of its work.

The Council is responsible for the supervision of the Director of Missions and shall study carefully the program of work for the entire Association and the needs of all the churches. In the light of this study, the Council shall work out an annual Calendar of Activities for the Association which shall run concurrently with the calendar year. The Calendar of Activities is subject to the approval of the Executive Committee.

ARTICLE VIII - TRUSTEES

The Trustees, or their successors in office, shall as provided by law and the action of the Association, hold in trust the title to all property of the Association and shall represent the Association in all matters of legal responsibility regarding the purchase, improvement, and disposal of Association property. They shall execute all legal papers relating to the Association as the Association may direct. They shall have no power to buy, sell, mortgage, lease or tranfer any property of the Association without a specific vote of the Association authorizing such action; neither shall they have any control over the use of the Associational property except by vote of the Association.

ARTICLE IX - NEW CHURCH COMMITTEE

The New Church Committee shall receive applications from all churches desiring to affiliate with the Union Baptist Association. The Committee shall make such investigation as is needful into the Statement of Faith and Order of the applicant, and at such time as it deems proper, shall make a recommendation to the annual Association that the applicant come under the watchcare of the Association for the period of at least one year. During this one year period the church shall appoint the pastor and one lay member who shall attend the Executive Committee meetings and give a brief report of the work of their church including cooperation with the Association and Conventions. At the end of the year, the New Church Committee shall make further recommendations to the annual Associational meeting concerning the applicant's request.

The Committee shall meet periodically to survey areas for possible future missions and/or churches, and shall, with the cooperation of the Executive Committee conduct the necessary census and surveys to determine the need.

When such need has been determined, the Committee shall, with the approval of the Executive Committee, recommend to the annual Association the purchase of such lands as are desirable for the future development of missions and/or churches at such time as a sponsoring church can be found and is deemed appropriate by the Committee.

ARTICLE X - PROCEDURE

The business of the Association shall be conducted according to *Robert's Rules of Order*, where not otherwise provided by this Constitution or the Bylaws.

ARTICLE XI - AMENDMENT

This Constitution may be amended at any session of the Association by a two-thirds vote, provided that the proposed amendment or amendments have been read on the previous day to that on which the vote is taken and referred to the Committee on Constitution and Bylaws for clarification and correlation.

ARTICLE XII - ADOPTION

This Constitution shall become effective immediately upon its adoption, and any regulations in conflict herewith are hereby repealed.

*The Baptists of this Associaiton came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section Chatham County. Union County Baptists came from Old Welsh Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles west of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1886. In 1886 the name of Union Association occurred.

American Bible Society Report

In 1984, the American Bible Society distributed its four billionth copy of Scripture, and the Southern Baptist Convention has had a vital role in this achievement.

The ABS and its 99 partners in the United Bible Societies around the world are currently involved in translating the Word of God in 562 languages. Significant increases of distribution in areas of extreme need have been made. The impact of the Bible on the lives of countless souls is inestimable and the ABS gives heartfelt thanks to Southern Baptists who are co-workers in the worldwide vineyard with them.

The following is a moving account of the power of the Scriptures in people's lives. A young widow in Ghana, lonely and grief-stricken for two years, was reached through reading the precious Word of God. After telling a Bible Society worker about her grief, she said, "....but last night, I decided to read my Bible and the passage which caught my eye was John 14:1-2. As I read, joy filled my soul and my heart was comforted at last." Southern Baptist support helps many individuals like this find Christ and grow in His grace.

In the United States, the ABS worked closely with Scripture mission projects sponsored by the Southern Baptist Mission Boards, state conventions, associations, and local churches. Through these, thousands of Bibles, New Testaments, and Scripture portions were placed in the hands of both Christians and the unevangelized.

Churches and individuals are encouraged to participate in one or more of these special programs: "Share-the-Word," volunteers, ethnic outreach, and Bible-a-Month Club.

The future challenges the American Bible Society, but advance and meeting the urgent requests for Scriptures will be impossible unless churches greatly increase their support.

The American Bible Society gives thanks to Southern Baptists for their prayers and the $309,610.00 given in 1984. This helped place the Bible in the hands of many men, women, and children. Has your church and have you as an individual helped people have the Bible by contributing to the American Bible Society?

Respectfully submitted,
Dr. Marian Hume,
ABS Coordinator

Annuity Board Meeting Report

1. One hundred eighty-three (183) attended the Annuity Board Meeting in Union Baptist Association on March 21, 1985.

One of the largest groups to have gathered for a meeting in Union Baptist Association met in an associational-wide rally to hear about the program to help retired ministers and widows.

Rev. Claude Simpson, retired minister from Monroe, NC and annuity volunteer, was chairman of the program. According to Rev. Simpson, the group heard D. William Dodson, senior vice-president and director of the endowment department of the Annuity Board, SBC, Dallas, Texas, speak on the plight of many retired ministers and widows and the Board's emphasis on how they can be helped.

Dodson told the group that 1,366 retired ministers and widows are in North Carolina, the second largest number of all state conventions. Of this total, Dodson said, a majority are needing additional assistance due to the ravages of rising inflation in recent years.

He told the ministers and leading lay people from the churches in Union Baptist Association that the endowment program of the Annuity Board was started in 1980, to raise funds to underwrite needs for the retired.

He explained the Adopt an Annuitant program that gives help immediately to the retired and how it can be worked through the Baptist Foundation.

Participating on the program with Dodson was John D. Bloskas, vice-president and associate director of endowment for the Board, who explained the financial and estate planning seminars available from the Board.

Also attending was Dr. Hank Greer of the North Carolina Baptist Convention staff.

Baptist Children's Homes Report

The mission of the Baptist Children's Homes of North Carolina, Inc., is to care for dependent, neglected, and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the institution embraces services directed toward the preservation, conservation, and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this, our 100th year of quality child care, the Trustees, staff, and President, Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of the Christian institution of caring as we enter our second century of service. In our Centennial year, we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985, as "Baptist Children's Homes Day,"' the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, *A Hundred Years of Caring*, an updated history of the Homes. Baptists from across the state submitted their favorite recipes for a cookbook to be released this fall. In cooperation

with the Convention's Communication Department, a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June, and July a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985, at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise, and thanksgiving.

An update from the Charlotte Family Services Area reveals the following highlights:

In responding to a request from the Gaston Baptist Association, the staff of the Baptist Children's Homes of North Carolina now has a working agreement that places a family counselor one day per week at the Gaston associational office from 9:00 a.m. until 4:00 p.m. Clients are referred by pastors, church members, and the association's crisis ministry.

The Charlotte office continues to provide information and help for all the services offered by the Homes such as group care, foster care, maternity care, emergency care, and therapeutic camping. Our staff is available to assist you with your questions and requests for care.

The Charlotte Emergency Care Home for girls continues to operate at capacity level.

Baptist Foundation Report

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153.00 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279.00. Real estate holdings have an estimated value of $4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563.00 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its directors have taken seriously their fiduciary responsibilities as relaed to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists

through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P. O. Box 26508, Raleigh, North Carolina 27611.

Baptist Hospital Report

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmoshpere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hosptial patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmoshpere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister 'with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hosptial has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316.00. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.00.

Biblical Recorder Report

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the *Biblical Recorder* is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are *not* members...of any kind of church Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The *Recorder* gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for

Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will *not* be raised for the *fourth* consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as *The Biblical Recorder*.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or you association, please call 919-847-2127.

Brotherhood Report

Where are you on your journey with Jesus Christ? All Christians are called to full-time service. Today, we have a great opportunity as lay people to step forward and help carry the gospel around the world. This year, lay people from Union Baptist Association served around the world, some as far away as Togo, Africa. Several of our churches continued to work on projects in West Virginia, Fort Caswell, and other locations.

We must move the gospel outside the walls of our churches, and I thank God for the job many of our people are performing in pointing people to Jesus Christ. Because of the work being done by our lay people, the Foreign Mission Board has been invited into China as well as a Moslem country. Christians have the message the world needs to hear; so let us go boldly spreading the gospel throughout the world.

This year, we held an associational workshop to train our Baptist Men and Royal Ambassador leaders. Under the capable leadership of Tommy Threatt, an RA Jamboree was held at Wingate College as well as our fourth annual track meet. Each year the number of boys and girls participating has grown larger. Many of our boys went on to compete successfully in the state meet.

The associational Brotherhood department would like to help any church encourage its men and boys into personal involvement in missions services. I thank each Brotherhood leader for the job he is doing.

Christian Action League Report

I. LEGISLATION:

A. OBSCENITY: The General Assembly enacted into law an obscenity bill that is the culmination of 10 years of consistent effort. Due to the loopholes in our state's obscenity laws, North Carolina has become the nation's "smut" capital because of the large numbers of porno outlets in our state per capita. The newly enacted law consists of the following features:

1. The so-called "adult book stores" (porno shops) are outlawed;

2. Sexually oriented materials such as PLAYBOY, HUSTLER, etc., will have to be placed under the counter or behind the counter with blinders in convenient stores, newsstands, etc.;
3. It provides for the prosecution of cable porn;
4. Penalties for violating the state's obscenity law have been increased from misdemeanors to felonies.

The law becomes effecitve October 1, 1985, and all complaints should be directed to your district attorney who will have the authority to begin legal proceedings.

B. ALCOHOL (Liquor-Beer-Wine): The following significant issues were addressed:
1. Drinking age set at 21 for all alcoholic beverages;
2. "Happy Hours" abolished;
3. A Dram Shop bill passed the House that will be considered by the Senate in the June, 1986 session. This proposal will make bartenders, tavern operators, and other retailers liable for damages if a sale is made to an intoxicated person who becomes involved in an alcohol related accident;
4. Legislation increasing the amount of liquor purchases and brown-bagging privileges from 1 gallon to 5 gallons was defeated;
5. Permitting convention centers to have brown-bagging went down to defeat;
6. A provision to allow out-of-state corporations convicted of felonies to be granted ABC permits was removed for consideration;
7. Current North Carolina law permanently revokes ABC permits for any establishment convicted of gambling offenses. An effort to repeal that measure was "shot down."

C. GAMBLING:
1. The statewide lottery act went down to defeat in the Senate with 24 to 24 tie vote.
2. The "Casino" game bill for non-profit organizations was rejected.
3. Efforts to liberalize our bingo laws were also turned back.

D. ABORTION: The state abortion fund was decreased by ⅓ from 1.2 million to $900,000.00. Yet, North Carolina remains the only state in the Southeast to use state tax funds for medically unneccessary abortions.

II. REFERENDUMS: In the past year, several liquor related votes were held, such as:
A. Jonesville defeated ABC liquor stores along with beer and wine;
B. Asheboro defeated ABC liquor stores, beer, wine, and liquor-by-the-drink;
C. Morganton defeated liquor-by-the-drink;
D. Anson County defeated beer and wine sales;
E. Camden County defeated liquor-by-the-drink;
F. Monroe defeated liquor-by-the-drink;
G. Chatham County defeated liquor-by-the-drink;
H. Nash County defeated liquor-by-the-drink; and
I. Edgecombe County defeated liquor-by-the-drink.

Christian Higher Education

Campbell 1887	Chowan 1848	Gardner-Webb 1905	Mars Hill 1856
Meredith 1891	Wake Forest 1834		Wingate 1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 779! North Carolina Baptists have

grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

Church Training Report

We are happy to report a good year in Church Training. We wish to express our thanks to the pastors and to the association for their support in the Church Training field. We feel that Church Training is on the upward trend and must continue to grow in order to keep our Christian people trained in Baptist Doctrine and in the office to which they hold.

We would like to report an excellent attendance at our annual "M" Night and Youth Night. "M" Night was held at Indian Trail, First Baptist and Youth Night was held at Wingate Baptist. We thank these churches for hosting these two events.

We want to particularly emphasize the need for the continuing efforts by all churches in the Children's and Youth Bible Drills and Speakers' Tournaments because, as we all know, our children are our hope for tomorrow.

Respectfully submitted,
Mr. Wendell Price,

Council on Christian Life and Public Affairs Report

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT ON CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were six associational or church-wide Family Enrichment Conferences; three Marriage Enrichment Retreats, in addition to sponsoring the annual three-day Clergy Couples Retreat in January and the four-day Basic MER Leadership Training Conference in August; two area-wide single adult seminars and an associational single adult event. The director also spoke at two Better Homes Clubs, and one church night family emphases on topics such as "Ten Commandments for a Good Marriage." He also led three Family Life Revivals, preached in three churches on a Christian family emphasis, spoke to two Baptist associations on ministering to families and divorce in the pastorate, and conducted three parenting workshop. Slide presentations on Togo and Baptist distinctives were presented in two churches.

Two major foci of the department this year were making available four Domestic Violence Conferences in which the director offered leadership; also three Divorce Adjustment Workshops were led by Dr. Roger Crook, family life specialist in the area. These were held in each area of the state under the department's sponsorship.

Two planning meetings of the Family Ministry Department, Sunday School Board, were attended in Nashville and Houston. The Southern Baptist Association of Family Ministry was also attended.

Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

DEPARTMENT OF AGING

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older persons. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participated in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance.

The department continues to cooperate with the Christian Family Life Department in family enrichment conferences with sections for older persons.

Many churches observed senior adult emphasis day.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. As usual, money matters took center stage, with much time going into the preparation of the state's budget and into debate regarding tax reductions. In addition, the legislature dealt with significant issues affecting the environment, education, alcohol abuse, pornography, gambling, and day care. The Department continued to make legislative news available to Baptists through the Legislative Information Network, made up of nearly 900 people who received regular updates on issues facing the

General Assembly. For the first time, summaries of L.I.N. materials were prepared and mailed to all pastors through the Pastor's Monthly Mailing. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problems and new generosity in response. In 1984, for the first time, North Carolina Baptists gave a little more than one million dollars through Baptist channels to fight hunger. In 1985, giving is running of 1984. Yet, so much remains to be done. While millions face death in Ethiopia, Sudan, Mali, Mozambique, Chad, Niger, and Burkina Faso, our gifts still average less than one dollar per Baptist per year. Please be in prayer

-- for the millions facing hunger and starvation,
-- for rain to relieve the African drought,
-- for caregivers (missionaries and others) who seek to help,
-- for ourselves, that our compassion may lead us to greater generosity.

Respectfully submitted,
W. Douglas Cole, Executive Director

Director of Missions Report

Thank you againg, for the opportunity of working here with you, shoulder-to-shoulder, in this great mission-minded association. All together, hundreds of hours of service are given to God annually by those who participate in the ministry of Union Baptist Association. Some places of service are more visible than others, but God's Word reminds us that every part of the body (of Christ) is necessary and important.

Without *you*, associational missions would be impossible. Thanks for your contributions of time, service, gifts, and prayers for associational missions during these twelve years!

We write this last annual report with sadness in our hearts. This has been another busy and fruitful year, as we have held 990 individual conferences, 72 group conferences, and had 33 committee meetings.

We have visited 184 times in our 64 churches, made 51 visits in homes of our pastors and other associational workers, made 45 visits in homes and hosptials where there was sickness, made 10 funeral home visits,and attended 8 funerals and participated in several of these.

During the year, we have carried 16 new pastors and wives out for dinner on behalf of the association, attended 8 plus anniversary celebrations of the churches, attended 3 dedication services, 2 pastor appreciation services, 4 ordination services, 6 ordination committee meetings, 2 receptions for new pastors, 1 ground breaking service, 14 plus planning meetings for different organizations, 1 open house, 2 Christmas programs, 2 note burning services, 4 Senior Citizens meetings, 2 preparation meetings for Sunday School Enlargement Campaign, met 8 times with pastors, Sunday School workers and visiting speakers in the Sunday School Enlargement Campaign, attended one 6-hour hospital seminar, 2 ministers' and wives' banquets and 1 ice cream supper, and 4 other banquets.

Evangelism Report

Christians are mandated by the divine commission and promised presence when obedience is demonstrated. It is our responsibility to evangelize to the end of the age. God has elected and selected us to the task of helping win the world to Christ.

During the 1984 associationa year, our churches reported 442 baptisms; the previous year, 453. The baptisms represent less than two percent of the unchurched or unenrolled people in Union County. The 1980 census for the county indicates over 31,000 unaffiliated people. The present population is in excess of 76,000 with approximately 35,000 unchurched.

The gospel must be shared in a public and personal manner. Our state convention annual lists 22,387 baptisms for 1984; the previous year 22,780, a decrease of 393.

During the spring, a very excellent evangelism program was enjoyed and appreciated by those in attendance at the Lee Park Baptist Church.

One of the most urgent things before us is the preparation of the GOOD NEWS AMERICA, GOD LOVES YOU revival efforts. To date, 26 of the 64 churches have said "yes" to cooperating with the nationwide effort of proclaiming the gospel. On January 14, 1986, a training session for the local church committees for the GOOD NEWS AMERCIA revival will be led in our association. This will be the only training session for individual church committees.

The task is great, but God is greater. God expects us to be involved in reaching people. Reaching people with the New Testament teaching is needful for all Christians. Placing our evangelistic effort on a one to one basis, our county could be reached for Christ in one of two ways, but hopefully both. Should each pastor lead one person per month to Christ, the county

could be won in less than five years, or each lay person enrolled in Sunday School could reach one person per year for Christ, the county could be won in five years.

The harvest truly is plenteous, but the laborers are few.

Respectfully submitted,
Rev. John A. Grant, Chairman,
Evangelism Committee,
Rev. Phillip McLean, Mr. Gene Simpson,
Rev. Claude Connell, Mr. John V. Williams,
Mr. Ronnie Thomas

The financial support of the churches to the association is very deeply appreciated. Without it, we could not operate. We are asking that you continue your support. Your contributions in recent years have made possible funds, which, along with a loan, have been used to build our office building. Our building is now paid for, but we will need your continued support to purchase much needed equipment, which will cost several thousands of dollars.

If every church would give the association 3% of its total budget, we would have adequate funds to meet our needs.

General Board Report

The big event for the General Board was the installation of Roy Smith as the general secretary for North Carolina Baptists. The past year has proven a time of beginning.

The Board met 3 times.We met in Raleigh in January, at Chowan College in May, and at Caraway in September.

The Board serves the State Convention when it is not in session. The Board has acted to seek a change in the Christian Action League's bylaws. In the past, the Christian Action League has not been a tax deductible agency. It has changed its bylaws in hopes of receiving such status. They are complying with the request of the General Board.

The Board has moved to change the North Carolina Missions Offering from 1 offering to 2 offerings a year. It will separate institutions and other missions.

North Carolina Baptists have experienced a good year in Cooperative Program giving and in special offerings.

As your Board representative, I have served on the Council on Christian Life and Public Affairs. Its big action in 1985 was the legislative network that helped keep us informed about actions before the General Assembly.

Respectfully submitted,
Dr. Roy Ford, General Board Member

It's good when you can step into an ongoing program. Thanks, Carol, for laying the groundwork for me.

The associational choir will be singing again for the annual meeting, and we hope to have a Christmas Carol Sing in December of this year.

The Key Leadership Conference was well atended. I thank you, pastors, for the encouragement you gave your music director to be at the conference.

I am here to serve. If you would like to have the associational choir, or some other special music for revival, or any special events in your church, please call me or the associational office.

I am looking for a great year in our association.

Ordination Committee Report

During this year, the Ordination Council of the Union Baptist Association has questioned five candidates for the Gospel ministry: Alfred Price (Fellowship Baptist Church), Bobby Martin (West Monroe Baptist Church), Kenneth Parsons (Forest Hill Baptist Church), Jerry Haney (Faulk's Baptist Church) and Rod Yow (Calvary Baptist Church). The committee was pleased with the seriousness of the calling and the doctrinal strength of these fine men and recommended unanimously, in each case, that the churches proceed with ordination. Rev. Ellis Marks and Dr. Byrns Coleman were asked to sit in on the questioning of Scott Simpson (First Baptist, Monroe), which was done by a local church council called together for that purpose. Again, it was unanimous that First Baptist proceed with ordination.

This has been a busy year for the committee, but we feel that we have been blessed by our contacts with these dedicated men, who are committed to the ministry of the Gospel of our Lord, Jesus Christ. We are grateful to God for them and have pledged our prayers and support as they go out to serve our Lord!

Prison Ministry Report

"Praise the Lord," the Union County Prison has been blessed greatly during 1985. The total number of men at the prison is 142. There have been 40 to 50 men in the Sunday worship service and 25 to 30 on Wednesday afternoons.

In August, a cookout was held with the men enjoying hamburgers, hot dogs, cokes, and potato chips. They are already asking about the Christmas party and those good cakes.

We receive mail from many of the men that have moved to another prison camp, and they say they will never forget the way our association treated them. One man from South Carolina even stopped by to see us.

Over 100 men have made professions of faith this year.

Mr. Donny Thomas

Stewardship Report

The Stewardship Division is planning Bold Mission Stewardship Conferences in 1986, similar to those of 1984. Our goal is to have a conference in every association. Pastors, church staff, and one or two lay persons are the target group.

A new packet of materials is being prepared to help pastors and other church leaders develop their own stewardship program, to meet their needs and achieve their goals. The packet will include materials for the stewardship chairman, stewardship education, missions, and budgeting. Our only way of distributing these materials is through Bold Mission Stewardship Conferences in the associations.

The primary emphasis will be on PLANNED GROWTH IN GIVING. This is going to be one of the most exciting events in the history of your church. It will require hard work and attention to detail. However, the rewards will prove to be worth every effort. We will also introduce new programs, which we believe will be of great interest to some of the churches.

Respectfully submitted,
Rev. Earl Henry, Chairman,
Cooperative Program and Stewardship Committee,
Mr. J. Howard Williams

Sunday School Report

The Sunday School emphases, 8.5 by '85, has drawn to a close with Union Baptist having made a very significant contribution to its success.

The 1984-85 year was a tremendous success. During the fall, several meetings were held in preparation for the Enrollment Enlargement Campaign with 11 churches participating. Campaign week, in the Spring, netted 32 new enrolles, 5 new units started, 43 workers enlisted, 2 workers meetings started and 1,864 prospects discovered.

Our annual spring workershop, held at Indian Trail, concentrated on the importance of weekly workers meetings and effecitve organization and teaching.

The Key Leadership Conference, held at Trinity Church, proved to be an enlightening time, exposing a great need to return to basic Sunday School work. During September, the ASSISTeam endeavored to meet that need. Associational Training School Night, at Lee Park, was astounding. Nearly 300 people responded to the various ministries offered.

The ASSISTeam continud to work with individual churches in organizational, outreach, teacher training and various age group ministries.

We praise God for the tremendous harvest of a hard year's work. The largest increase in enrollment in over a decade with 538 additions to the rolls, equivalent to a 5% increase. To God be the glory!

Challenge 10/90 now looms before us with our 8.5 by '85 gone by the board. Challenge 10/90 is our convention goal to reach 10 million people for Bible Study by 1990.

Let us labor together, as His ambassadors, to see the gospel spread around the world.

Respectfully submitted,
Rev. Mike Whitson, Sunday School Director

Trustees' Report

All property has been maintained and kept in excellent condition.

During the year, a new lawn mower (push type) was purchased for use at the associational office.

The sewer line was replaced at the associational parsonage.

We feel confident that our property is in excellent condition and has been maintained within our budget.

The Trustees recommended to the Associational Council and Executive Committee that the associational parsonage be sold with approval from the association at the next annual meeting and that Rev. Ellis Marks, be given the opportunity to purchase the parsonage at $40,500.00. If he does not purchase it, the house will be placed on the market. The appraised value of the house is $51,000.00.

Woman's Missionary Union Report

"By Love Compelled" has been the theme for the year 1984-85 for Woman's Missionary Union. Challenged by the theme, WMU has sought to inform, inspire, and involve men, women, boys, and girls in ministry and witness as a part of their everyday, routine living.

There are currently 55 churches, with one or more age level organizations. Trinity Church began WMU work with five organizations. Covenant Church, which is under the watchcare of the association, began a Baptist Women and Girls in Action. Additional organizations were also begun in churches which already had some WMU organizations.

The following meetings were held:

October: Mission action/mission study workshop

November: Baptist Women's Day of Prayer with the women from the General Baptist Association at Elizabeth Baptist Church Manual study for all age levels
G-A-tivity at Oakland Church

March: Annual meeting at Corinth Church with Ray Frye, missionary to Singapore, and Jan High, State WMU GA consultant, speakers

May: GA Day Camp at Shiloh Church

August: Baptist Women-BYW Prayer Retreat at Macedonia Church
Key Leadership Conference at Trinity Church

September: Leadership Conference at Oakland Church

Tim Kirkman, Wingate Church, and Tamara Staton, Fairfield Church, were the recipients of the Mary Blair Scholarships, which were given to two freshmen at Wingate College.

Associational WMU officers and/or local WMU members attended these state and national WMU meetings: YBW Retreat, BYW Convention, Mission Support Training Lab, Annual State WMU Session, Acteens Convention, Baptist Career Women's Retreat, WMU -- SBC Annual Meeting, Associatinal Officers Workshop, WMU Week at Ridgecrest, Home Mission Week at Ridgecrest, and GA and Acteens camps at Camp Mundo Vista.

Gary Threatt, whose home church in Hamilton Cross Roads, along with his wife, were appointed as missionaries to Botswana by the Foreign Mission Board. The Reverend and Mrs. James Parks, former pastor of Ebenezer Church, were appointed to Chile, Dr. And Mrs. David Smith, former campus minister at Wingate College, were appointed to Ecuador, and Dennis Connell, son of Rev. and Mrs. Claude Connell, who is currently pastor at Midway Church, and his wife, were appointed to Japan.

On the Associational WMU Achievement Guide, the WMU is DISTINGUISHED this year.

"Our love should not be just words and talk; it must be true love, that shows in action" (1 John 3:18 TEV) has been the watchword for this year. Love is a distinguishing mark of God's children. The self-giving kind of love Jesus gave on the cross is shown by believers who show compassionate love to others who have physical and spiritual needs. Love also calls for Christians to be committee--to become involved. Jesus invites us to hear the cries, to feel the hurts, to reach out and join Him in caring.

In "Arms of Care," Kenneth Day reminds us that we are to:

"Reach, as he reached for you
to lost despairing;
and lead them full into his arms of care."

Mrs. Jim Price, Director

Youth and Campus Ministries Report

One of the most exciting and challenging ministries of North Carolina Baptist churches through our Convention is that done by the Division of Youth and Campus Ministries. Our task, on behalf of junior and senior high school students, is to provide leadership training for adult and youth leaders to coordinate the Convention's several programs which include youth, and to project the Convention's youth weeks at the Assembly. Rick Traylor does an exceptional job in that area.

You have assigned to us your primary ministry with students. We have BSU or some organized group work on 43 campuses. More than thirty volunteers work alongside some twenty full-time campus ministers and four other staff persons in your ministry to students. We, as campus ministers, are committed to serving consistently as resource persons for church workers with college students in all North Carolina Baptist congregations. We guide in local emphases which include evangelism, missions experience and education, Bible study, worship, integration of faith and education and decision making as part of Christian discipleships. Over

$40,000.00 has been contributed by North Carolina BSUers, this year toward a state-level missions program, which witnesses aroung the world. Additional money and time are invested as students find ways to serve in local communities, usually alongside their older Christian brothers and sisters.

Our Bsu's from Cullowhee to Greenville and Murfreesboro, have teams of students who are prepared to preach, teach, sing, and share with those in Baptist churches nearby. Puppet and clown teams, in addition, present the Gospel in unique but effective ways to children, senior citizens, and everyone in between!

The Union Baptist Associational Youth Committee sponsored two events for area youth. On March 16, 1985, the Annual Associational Youth Rally was held at Wingate Baptist Church. Approximately 200 attended the Rally and the fellowship time afterwards.

"Sunshine Olympics" occurred on July 27, 1985, at Wingate College. This event was co-sponsored by the Associational Youth Committee and Wingate College. Nearly 150 youth participated in a day of fun and inspiration.

The Associational Youth Committee thanks all churches in the association for their support.
